**PRINCIPAL FUNCTIONING AGENTS:**

- Methylated silicone: 30.00%
- Constituents ineffective as spray adjuvant: 70.00%
- Total: 100.00%

Contains petroleum distillates

All ingredients are exempt from the requirements of a tolerance under 40 CFR 180.

WA Reg. No. 5905-06001     WSN 0512/0413

**KEEP OUT OF REACH OF CHILDREN CAUTION**

PROLONGED CONTACT MAY IRRITATE EYES AND SKIN.

SHAKE WELL BEFORE EACH USE.

See Below for Additional Precautionary Statements

**PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION**

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

Causes moderate eye irritation. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse.

PERSONAL PROTECTIVE EQUIPMENT: Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, shoes plus socks when mixing or applying COMBAT PLUS®.

**FIRST AID**

**IF SWALLOWED:** Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**NOTE TO PHYSICIAN:** Contains Petroleum distillate. Vomiting may cause aspiration pneumonia.

**HOT LINE NUMBER:** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.

**CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES**

Read the Conditions of Sale-Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the “Company”) or the seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company’s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.

**GENERAL INFORMATION:** COMBAT PLUS® is a specially formulated blend of foam suppressing agents. It is particularly effective in preventing foam problems caused by products containing organosilicone and organosilicone-based surfactants. COMBAT PLUS® is also useful in preventing foam that is not controlled by conventional defoaming agents.

**DIRECTIONS:** COMBAT PLUS® IS NOT FOR AQUATIC USE.

Use COMBAT PLUS® at one to two ounces per 100 gallons of spray solution. It may be necessary to adjust the amount used according to individual conditions. It is always best to add to tank mixture before pesticides or other adjuvants. This will keep foam from forming. If foam has already formed, add a zig zag pattern over foam. COMBAT PLUS® is compatible with most chemical and fertilizer mixtures.

**SAFETY DATA SHEET**

**SAKE WELL BEFORE EACH USE!**

**IN ORDER TO MAINTAIN THE HIGH PERFORMANCE OF AN ORGANO SILICONE SURFACTANT, IT IS ALWAYS BEST TO USE THE LOWEST RATE OF ANY DEFOAMING OR ANTI-FOAMING AGENTS NECESSARY TO CONTROL FOAMING.

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage and disposal.

**STORAGE:** Store in original container only. DO NOT FREEZE. Keep container tightly closed.

**Pesticide disposal:** Wastes resulting from the use of this product may be dispersed on or at an approved waste disposal facility. Do not contaminate water sources by runoff from cleaning of equipment, disposal of equipment washwaters, or spray waste.

**CONTAINER DISPOSAL:** Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers may also be disposed in a sanitary landfill.
