**OXINE SANITIZER**

**DISINFECTANT**

**FUNGICIDAL - BACTERICIDAL**

**GUARANTEED SHELF LIFE**

**NON-FLAMMABLE**

**LOW CORROSION**

**FIRST AID**

| **If inhaled** | - Move person to fresh air.  
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.  
- Call a poison control center or doctor for further treatment advice. |
| **If on skin or clothing** | - Take off contaminated clothing.  
- Rinse skin immediately with plenty of water for 15-20 minutes.  
- Call a poison control center or doctor for further treatment advice. |
| **If in eyes** | - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye.  
- Call a poison control center or doctor for further treatment advice. |
| **If swallowed** | - Call a poison control center or doctor immediately for treatment advice.  
- Have person sip a glass of water if able to swallow.  
- Do not induce vomiting unless told to do so by a poison control center or doctor.  
- Do not give anything by mouth to an unconscious person |

**PRECAUTIONARY STATEMENTS**

Hazards to Humans & Domestic Animals: CAUTION: Harmful if swallowed. Harmful if inhaled. Avoid breathing vapor or spray mist. Causes moderate eye irritation. Remove contaminated clothing and wash clothing before reuse. Wash thoroughly with soap and water after handling and before eating, drinking and chewing gum, using tobacco or going to the restroom. Handlers applying chlorine dioxide in an occupational setting must wear gloves.

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**LABORATORIES, HOSPITALS, MORGUES, INSTITUTIONS**

To disinfect non-porous, hard surfaces such as glazed tile floors, walls and ceilings and stainless steel cold rooms and walk-in incubators.

1) Clean all surfaces thoroughly with a suitable detergent and rinse with water prior to disinfection.

2) Preparation of 500 ppm ClO2 disinfecting solution: Place 3.25 oz of Oxine concentrate into a clean plastic container and add 10 grams of Bio-Cide activator crystals or food-grade citric acid of no less than 99% purity. Prepare in a well ventilated area. Avoid breathing fumes while the crystals are dissolving. Allow five (5) minutes reaction time. To this solution, add one (1) gallon of clean potable water.

3) To apply: Activated solutions may be sprayed, mopped or sponged onto surfaces to be disinfected. All surfaces must be thoroughly wetted for at least ten (10) minutes. When spraying disinfectant solutions, use an appropriate spraying device. Active solutions may be irritating when breathed, therefore, always use an applicable NIOSH/MSHA approved respirator appropriate for chlorine dioxide when spraying these solutions. After application, allow to air dry. Treat as required. Always apply freshly made solutions. Never reuse activated solutions.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Product Storage:** Store in a cool, dry, well-ventilated location away from acids, chlorine and chlorine compounds, hypochlorites (bleach), organic solvents, sulfur and sulfite compounds, phosphorus, combustible/flammable materials, and direct sunlight. Keep containers tightly closed when not in use and open carefully to prevent spillage. Storage on wooden floors and pallets is not recommended.

**CONTAINER DISPOSAL:** Do not reuse or refill this container. Do not contaminate water, food or feed by storage or disposal. Drain for 10 seconds after the flow begins to drip. Fill the container 1/4 full with water and recap. Pour rinsate into applications equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste facility.

**CAUTION**

**KEEP OUT OF REACH OF CHILDREN**

**SEE SIDE PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS**

**Directions for use on air ducts are contained in the attached booklet and must be read completely prior to using this product. If the booklet is missing, return this product to the place of purchase and obtain a replacement package.**
