**SHAKE WELL BEFORE USING** *(AGITE BIEN ANTES DE USAR)*

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Adhere to all warnings and use only.

Use Golden Death® Ant & Roach Killer as a spot treatment outdoors:

- Along and under control boards.
- Around and beneath appliances.
- Behind glow lights.

Other areas where insects are often found:

- In cupboards and closets.
- In dark corners of rooms, cabinets and drawers.
- Around pipes and plumbing.
- Around waste containers.

**HOW TO USE**

1. Shake well before each use.
2. Spray insects to kill on contact.
3. For long-lasting control, treat areas where insects are commonly found. Spray surfaces well, leaving the toxic residue visible to prevent re-infestation and blockage of product.
4. When treating for ants, sprays around door and window frames. Also treat other entry points and cracks. Kill returning insects for up to 2 weeks on non-porous surfaces.
5. Sprays and solutions must be spray directly to be effective.

**NOTICE:** Point spray away from people, pets, and plants. Do not use as a room spray. Do not allow people or pets to contact treated surfaces until spray has dried.

**STORAGE AND DISPOSAL**

Store in cool, dry area away from heat or open flame. Do not puncture or incinerate. Keep away from children. If spilled, flush with plenty of water to dilute. For disposal, contact your local waste management department or PBB/LEP.
