Drain Pan Treatment & Microbiocide

Item Code: 84469
Net Weight: 12 lbs.

Precautionary Statements
 Hazards to Humans and Domestic Animals
 Danger: Corrosive: Causes irreversible eye damage and skin burns. May be fatal if swallowed, absorbed through skin, or inhaled. Do not breathe dust. Do not get in eyes, on skin, or on clothing. Wear protective eye gear (goggles or face shield), protective clothing, and rubber gloves. Wash thoroughly with soap and water after handling and before drinking, eating, chewing gum or tobacco. Remove and wash contaminated clothing before reuse.

First Aid
 If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. If on skin or clothing: Remove contaminated clothing and wash before re-use. Rinse skin immediately with plenty of water for 15-20 minutes. If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If inhaled: Move person to fresh air. If person is not breathing, call 911, or an ambulance, then give artificial respiration, if possible. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling or going for treatment. You may also contact 1-800-328-0288 for emergency treatment information.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsions may be needed.

Directions for Use
 It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. For use in the drain pans of cooling equipment, air conditioners, refrigerators, coolers, and ice machines.

Use in floor waste drains in food processing plants.

Easily used in cooling system drain pans. Drain Pan Treatment & Microbiocide is a controlled-release microbiocide controlling growth of fungi, mildew, slime, bacteria, algae and their odors. Slim, flexible drain pan treatment & Microbiocide easily fits into air conditioners or refrigeration drain pans, and other drain openings, controlling the growth of bacteria in these areas.

Not for use in heat vaporizing or atomizing type vaporizer humidifiers.

For use in medical facilities, nursing homes, government, commercial buildings, residential air conditioning units, cruise ships, airports, hotels and resorts, school and industrial areas.

Installation Instructions: Remove from plastic bag. KEEP KNIT ENCLOSURE IN TACT. In drain pans of air conditioner, refrigerator, ice machine, and coolers: Place on the surface of the pan away from the drain overflow, as close to the condensate source as possible. Do not allow product to block drain.

Storage and Disposal
 Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Keep container closed when not in use. Do not store below 25 degree or above 100 degrees F for extended periods. Store away from moisture.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinseate is a violation of Federal Law. If these wastes cannot be disposed of by use according to labeling instructions, contact your state pesticide or Environmental Control Agency, or the nearest EPA office for guidance.

Container Disposal: Nonrefillable containers. Do not reuse or refill the container. Offer for recycling if available or wrap empty plastic bag and box for trash collection. When discarding knit enclosure wrap in newspaper and place in trash for collection.
