We Work Hard
So you don't have to!

Antibacterial Scrubbing Bubbles® XXI Bathroom Cleaner

- Foam action easily removes soap scum, hard water stains, and dirt.
- Kills 99.9% of common bacteria like Staphylococcus aureus (Staph), Klebsiella pneumoniae, Escherichia coli (E. coli), and Enterococcus faecalis.
- Won’t scratch surfaces…leaves a brilliant shine!
- Deodorizes:

CLEANS:

- Directio

SANITIZES:

DEODORIZES:

Has a fresh, lemon scent.

(For use on all hard, non-porous surfaces; not recommended for use on acrylic, brass or natural marble.)

ANTIBACTERIAL

Directions for Use:

1. Spray 6-8 inches from surface to be cleaned.
2. Allow foam to penetrate soil.
3. For heavily soiled areas, let stand several minutes before wiping. Remove by wiping with a wet cloth or sponge. No need to wipe dry. On chrome, rinse with water.

On hard non-porous surfaces, spray surface until thoroughly wet. Let stand for 1 minute. Then wipe. For heavily soiled areas a pre-cleaning is required.

To Kill 99.9% of Bacteria:

To inhibit and prevent the growth of mold and mildew:

Precautionary Statements:

Hazard to Humans and Domestic Animals:

Causes slight eye irritation. Avoid contact with eyes. Wash thoroughly with soap and water after handling.

Caution:

If in eyes:

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

See back panel for additional precautionary statements.

Physical or Chemical Hazards:
