**ANTIBACTERIAL**

- **Cleans:** Foaming action easily removes soap scum, hard water stains, and dirt.
- **Sanitizes:** Kills 99.9% of common bacteria like Staphylococcus aureus (Staph), Klebsiella pneumoniae, Escherichia coli (E. coli), and Enterococcus faecalis.
- **Shines:** Won't scratch surfaces...leaves a brilliant shine!
- **Deodorizes:** Has a fresh, clean scent.

Effectively cleans tubs, showers, shower doors, basins, glazed ceramic tile, tile, sinks, counters, stainless steel, chrome, fixtures, fiberglass, vinyl and glazed porcelain surfaces. (Spot test for all other hard, non-porous surfaces, not recommended for use on acrylic, brass or natural marble.)

**INSTRUCTIONS FOR USE:**

- **TO CLEAN:**
  1. Spray 6-8 inches from surface to be cleaned.
  2. Allow foam to penetrate soil.
  3. For heavily soiled areas, let stand several minutes before wiping. Remove by wiping with a wet cloth or sponge. No need to wipe dry. On chrome, rinse with water.

**TO KILL 99.9% OF BACTERIA:**

On hard non-porous surfaces, spray surface until thoroughly wet. Let stand for 1 minute. Then wipe. For heavily soiled areas a pre-cleaning is required.

**TO INHIBIT AND PREVENT THE GROWTH OF MOLD AND MILDEW:**

Remove gross filth or heavy soil prior to applying the product for treatment against mold and mildew. On hard non-porous surfaces, spray surface until thoroughly wet. Let stand for 1 minute. Then wipe. Repeat as needed.

**STORAGE & DISPOSAL:**

- **STORAGE:** Store in a cool, dry place away from heat or flame. DISPOSAL: This container may be recycled where aerosol can recycling is available. Before offering for recycling, empty can by using the product according to the label. DO NOT INOCERATE OR PUNCTURE. If recycling is not available, discard empty container in trash.

- **FIRST AID:**

  - **If in eyes:**
    - Hold eye open and rinse slowly and gently with water for 15-20 minutes.
    - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
    - Call a poison control center or doctor for treatment advice.

  - **Have the product container or label with you when calling a poison control center or doctor, or going for treatment.**

- **PRESSURE OR PESTICIDE USES:** CONTENTS UNDER PRESSURE. Do not use or store near heat or open flame. Exposure to temperature above 130°F (54°C) may cause bursting. Do not puncture or incinerate container.

- **EPA Reg. No. 4222-547 EPA Est. No. 4222-W-1**

  - *Staphylococcus aureus (Staph), Klebsiella pneumoniae, Escherichia coli (E. coli), Enterococcus faecalis*
