OZIUM® Glycerized Air Sanitizer
REDUCES AIRBORNE BACTERIA
Eliminates Scent and Offensive Odors
Caused by Airborne Bacteria

DIRECTIONS FOR USE
In a well ventilated room, spray Ozium in small, well ventilated areas. Place Ozium in an area that will be occupied 10 minutes or longer. Repeat applications until odor is eliminated. Ozium is effective against airborne bacteria in an average room (10' x 14' x 8'). Repeat applications several times daily. Treat average room volume twice with one-second sprays for small and medium control caused by airborne bacteria.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION: Avoid inhalation of spray mist. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, inhaling, smoking, or using tobacco. Wash hair after exposure of children and pets. FIRST AID IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes. Then continue rinsing eyes. Call a Poison Control Center or doctor for treatment advice. For Health Emergency: (877) 279-0733.

Hazardous to Chemical Hazards: Flammable. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures over 140°F may cause bursting. Do not spray on painted or varnished surfaces. STORAGE AND DISPOSAL: Not to be refilled. Wrap in newspaper and put in trash. DO NOT PUNCTURE OR INCINERATE.

Country Fresh

REDUCES AIRBORNE BACTERIA
