Net Weight 50 lbs (22.68kgs)

INSTRUCTIONS

The product may be toxic to fish and aquatic invertebrates. Do not apply directly to water bodies, where water surface is present, or to areas not below the mean high water mark. Over-spreading may result in the destruction of aquatic life forms. This product has characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where pools are present, particularly where the water table is shallow, may result in contamination of drinking water or groundwater.

DIRECTIONS FOR USE

This product may be applied to the soil before or immediately after planting, or to the surface of the soil after planting.

STORAGE AND DISPOSAL

This product is designed to promote lush green growth in lawns and controls many broadleaf weeds such as:

- Bluegrass
- Dallisgrass
- Foxtail
- Knotgrass
- Kikuyu
- Redtop
- Ryegrass
- Spikemeadow
- Wild Onion
