PRECAUTIONARY STATEMENTS:
For Residential Use Only

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco of the toilet.

USER SAFETY RECOMMENDATIONS

Wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet.

FIRST AID:

If on skin or clothing:
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 min.
- Call a poison control center or doctor for treatment advice.

If in the eyes:
- Remove contact lenses. If not easily removed, do not remove. Rinse at least 15 minutes with cool water. Call a poison control center or doctor for treatment advice.

If swallowed:
- Do not induce vomiting. Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS:
This product is toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, surface waters, or ponds. Apply this product in calm weather when rain is not predicted for the next 24 hours to help ensure that wind or rain does not blow or wash pesticides off the treated area. Use Directions for Use for additional precautions and requirements.

PHYSICAL OR CHEMICAL HAZARDS:
Contents under pressure. Do not open near flames. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause container to burst. Do not apply this product in the presence of cigarettes or smoking materials or near electrical equipment due to the possible shock hazard. Do not use on surfaces that may be damaged by water.

DIRECTIONS FOR USE:
Is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

PRECAUTIONS AND RESTRICTIONS:

Do not remain in the treated area. Do not allow adults, children, or pets to enter treated areas until sprays have dried. Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Remove pets, birds, and cover fish aquariums before spraying. Remove or cover exposed food and drinking water before application. Do not apply directly to living plants, to plants to be cut for house or garden use, to trees, to aquatic vegetation, or to any area like a gutter where drainage to sewers, storm drains, or surface waters, or other watercourses, can occur. Do not allow the product to enter any drain during or after application. Do not apply when wind is likely. Do not make applications during rain. To prevent product run-off, do not apply prior to heavy rainfall. Do not water the treated area for 48 hours after application. All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses: (1) Treatment to soil or vegetation around structure; (2) Applications to lawns, turf, and other vegetation; (3) Applications to building foundations, up to a maximum height of 1 foot. Other than applications to buildings, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, arches, and structural surfaces such as windows, doors, and eaves are limited to spot and crack-and-crevice applications only. Not for use in outdoor residential misting systems. Not for use in metered release devices.

APPLICATION INSTRUCTIONS:
Shake well before each use. Insect pests must be directly sprayed to be killed.

TO KILL FLEAS, MOSQUITOES, MOTHS: Prior to application, close doors and windows in the area being treated. Hold container upright and spray upward in a sweeping motion to all parts of the room, treat areas around windows and other light sources since flying insects are attracted to these areas. Leave room after spraying. Keep doors and windows closed for 15 minutes after treatment. Ventilate room when treatment is complete.

USER RESTRICTIONS:
Do not apply more than 1 time per day.

This product is non-staining to most surfaces. Do not use on surfaces that may be damaged by water. If unsure, first treat an inconspicuous area and check in a few hours for staining or damage.

STORAGE & DISPOSAL:

PESTICIDE STORAGE: Store in a cool, dry place, away from heat sources and open flame. Do not store at temperatures over 130°F. Do not contaminate water sources or feed by storing or disposing in any manner.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do Not: Fumigate or incinerate. Non-refillable container. Do not reuse or refill this container. If empty, place in the trash or offer for recycling, if available. If partly filled. Call your local solid waste agency for disposal instructions.
