PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION

Avoid contact with skin, eyes, or clothing. Wear long sleeved shirt, long pants, socks, and shoes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Do not use on puppies or kittens under 12 weeks. Consult a veterinarian before using this product on pregnant or nursing animals, or animals with an excoriation. Sensitization may occur after using any pesticide product for pets. If signs of sensitivity occur, bathe your pet with a mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID

IF CONSUMED • Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give any liquid to the person. • Do not give anything by mouth to an unconscious person.

IF IN EYES OR CLOTHING • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice. Note to physician: Contains piperonyl butoxide. Territorial may cause aspiration pneumonitis. Have the product container or label with you when calling a poison control center or doctor for treatment advice. You may also contact 1-800-950-4783 for emergency medical treatment information.

KEEP OUT OF REACH OF CHILDREN

See Back Panel for Precautionary Statements and First Aid

USER SAFETY REQUIREMENTS

Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

USER SAFETY RECOMMENDATIONS

User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. User should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. To apply as surfaces at the maximum rate, use 4 teaspoons (15 g) of powder for 9 sq ft (3' x 3').

USE RESTRICTIONS:

Exhibit when applying to pets, do not apply this product in a way that will contact adults, children, or pets other directly or through drift. Except when applying to pets, do not allow adults, children, or pets to enter the treated area until dusts have settled. Do not apply to dogs or cats less than 12 weeks old. For indoor residential use, only apply as a spot treatment to areas no greater than 3 by 3 feet per pet. Remove or cover entering food and drinking water before applications. Remove or cover clothing, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

APPLICATIONS:

Applications is prohibited directly into sewers or drains, or in any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitats can occur. Do not allow the product to enter any stream during or after application.

FOR DOGS AND CATS:

To control fleas and ticks on dogs and cats, dust powder liberally over the entire body. Rub dust into hair and around the feet, pads, and between the toes so that they are well treated. Take care not to put the powder in animal's eyes, nose, or mouth. Do not repeat treatment for one week. Dust pet bedding, kennel, and sleeping area regularly.

STORAGE AND DISPOSAL

PESTICIDE STORAGE:

This container is filled by weight, not by volume. You can be assured of proper weight even though some settling of contents normally occurs during transportation and handling.
