Large Dogs 33-66 lbs

Made in USA

Precautionary Statements: Hazards to Humans and Domestic Animals

Caution

Hazard to Humans: Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Promptly remove clothing and wash immediately with soap and water if skin or clothing is exposed to this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Hazard to Domestic Animals: For external use on dogs only. Do not use on cats or other animals other than dogs. Do not treat one or more dogs or puppies more than 12 weeks of age, weighing less than 3 lbs.

Use Restrictions

• Do not apply more than once a month. Do not allow your dog to ingest this product.
• Do not contaminate food or feedstuff. Do not contaminate treated bedding when removing the treated dog from your property.

Directions for Use

• Apply specified amount of solution to the skin on the dog’s back between the base of the tail and the last rib, or indicated on the label. Apply the solution directly to the skin, avoiding the hair. The site of application should be clean and dry. Do not apply more than once a month. Do not allow your dog to ingest this product.

Warranty

Star Horse Products, NV, Inc. warrants that the product conforms to the chemical description on the label. Star Horse Products, NV, Inc. reserves the right to make changes in its product, its name and package labeling without notice. Buyer and user acknowledge and assume all risk and liabilities resulting from the handling, storage and use of this product. Star Horse Products, NV, Inc. does not warrant the quality or performance of any product after it leaves their premises. The warranty does not extend to statements made on the label.

First Aid

If swallowed:
• Call a poison control center or doctor immediately for treatment advice.

If in eyes:
• Rinse eye(s) with plenty of water for 15-20 minutes.

If on skin or clothing:
• Remove contaminated clothing. Wash skin immediately with plenty of water for 15-20 minutes.
