SURFACANT AND WATER CONDITIONING AGENT FOR PESTICIDE SPRAYS
Principal Functioning Agents:
Ammonium acetate, tallow amine ethoxylate, alkylphenol ethoxylate
phosphate ester ........................................... 64.78%
Ingredients ineffective as Spray Adjuvants ............................ 35.22%
TOTAL INGREDIENTS .................................. 100.00%
*All ingredients are exempt from the requirements of a tolerance under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN
DANGER

PRECAUTIONARY STATEMENTS

DANGER
BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

Corrosive. Causes irreversible eye damage and skin burns. Harmful if swallowed, inhaled or absorbed through skin. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles or face shield) and chemical-resistant gloves. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse.

PERSONAL PROTECTIVE EQUIPMENT:
Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks when mixing or applying INTERACTIVE®.

FIRST AID:
If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
If swallowed: Call a poison control center or doctor immediately for treatment advice.
Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
If inhaled: Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

STORAGE AND DISPOSAL
Store in original container only. Keep container tightly closed, do not allow water to be introduced into the contents of this container. Do not contaminate water sources by runoff from cleaning of equipment, disposal of equipment washwaters or spray waste. Do not store near heat or open flame.
CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.
For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9200.

GENERAL INFORMATION
INTERACTIVE® is a combination of wetting agents and ammonium salts designed to enhance the efficacy of pesticides. INTERACTIVE® also contains sequesterants and defoaming agents to prevent spray application problems due to water quality and foaming.
INTERACTIVE® is particularly effective with herbicide products containing glyphosate.
INTERACTIVE® is formulated with specialized ammonium nitrogen. Ammonium nitrogen has been recognized as an effective enhancer of pesticide uptake by some plant species.
Disclaimer: Always refer to the label on the product before using Helena or any other product.

INTERACTIVE® may be used to replace or supplement the use of ammonium sulfate and other nitrogen fertilizers that are recommended as adjuvants for pesticide applications.
INTERACTIVE® may also be used as a substitute for oil based products where crop injury is a concern.
INTERACTIVE® can effectively enhance the performance and application of pesticide and plant nutritional products.

DIRECTIONS FOR USE
FOR USE WITH PRODUCTS REGISTERED FOR: AGRICULTURAL, FORESTRY, INDUSTRIAL, MUNICIPAL, ORNAMENTAL, RIGHTS-OF-WAY, TURF, NON-CROPLAND AND OTHER USES.
In all applications of INTERACTIVE®, read and follow the directions on the pesticide(s) label as to procedures, dosage rates, timing of application and restrictions for the crop on which the pesticide is to be applied. INTERACTIVE® can increase the activity of some pesticides. The use of a test area is recommended when applying during periods of high humidity, high temperatures or other situations where field experience is limited. The addition of an adjuvant to some pesticides, crop nutritionals and other spray mix combinations may cause phytotoxicity to the foliage and/or fruit of susceptible crops. Prior to the addition of INTERACTIVE® to any spray mix, the user or application advisor must have experience with the combination or must have conducted a phytotoxicity test or must use the recommendations from the label of the products with which it is to be mixed.
INTERACTIVE® is not for aquatic use. 4 Pints of INTERACTIVE® provides the equivalent of 8.5 pounds of ammonium sulfate.
GROUND: Apply at the rate of 4 to 8 pints per 100 gallons of water or 0.5 to 1.0% by volume. A minimum of 8 pints per 100 gallons or 1% by volume is recommended for glyphosate products that contain no adjuvants.
AERIAL, LOW VOLUME, CDA: Use 8 – 8 fluid oz. in 1 – 5 gallons of water per acre.
MIXING
Prior to any pesticide application, all spray mixing and equipment maintenance must be thoroughly cleaned. Carefully observe all cleaning directions on the pesticide label.
1. Fill spray tank one-half full with water and begin agitation.
2. Add INTERACTIVE®
3. Add pesticides and/or fertilizers as directed by manufacturer's label or in the following sequence:
   A. Micronutrients and fertilizers
   B. Dry Flowables or water dispersible granules
   C. Flowables
   D. Water soluble pesticides
   E. Emulsifiable concentrates
   Continue agitation and complete filling of spray tank.
   Do not mix INTERACTIVE® with unlabeled pesticides.
   Terminology on this label is consistent with the definitions approved by subcommittee E-35.22 on Pesticide Formulations and Application Systems under the jurisdiction of ASTM Subcommittee E-35.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES
Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:
1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used
To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
