APPLICATION METHOD

1. Bend at perforation and tear off first month's applicator.
2. Hold applicator upright and bend area of plastic at perforation, tear off and discard.
3. Hold applicator upright and snap tip back, away from face and body.
4. Prior to application of the product, gently lift the cat's or kitten's hair coat on the back of the neck at the base of the skull, position the tip of the applicator on the cat's exposed skin and squeeze out the entire contents of the applicator onto the cat's skin.
5. Do not bathe cat within the first 24 hours after product has been applied.

ADAMS™
