WA Reg. No. 7001-07001

KEEP OUT OF REACH OF CHILDREN
DANGER
HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

Corrosive, causes eye and skin damage. Harmful or fatal if swallowed. Do not get in eyes, on skin, or on clothing. Do not breathe vapor or spray mist. Wear goggles or face shield, chemical resistant gloves, coveralls worn over long sleeve shirt and pants, socks, and chemical resistant footwear. Use respiratory protection device when handling.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Have the product container with you when calling a poison control center or doctor, or going for treatment.

GENERAL INFORMATION

Comp-Ad ES® is an effective compatibility agent for pesticide liquid-fertilizer mixtures. When used at the recommended label rate. Comp-Ad ES® improves the stability of these mixtures and the uniformity of their application.

DIRECTIONS FOR USE

Not for aquatic use in Washington. Comp-Ad ES® is completely soluble in most liquid fertilizers and should be added to the fertilizer at the above suggested rates and mixed thoroughly prior to the addition of the pesticide. The entire mixture should be agitated sufficiently to provide a uniform suspension and agitation should be continued during application if possible.

NOTE: Consult pesticide manufacturer for recommendation of their product in liquid fertilizers.

*Approved for use with BiCEP II® MAGNUM™ a registered trademark of Syngenta Crop Protection.
