- 91.0%

**Total:**
- 100.0%

**Kills & Detaches Ticks for 3 months**

**Fits necks up to 18”**

**Available through licensed veterinarians only.**

**Adjustable – For Dogs Up To 60 lbs.**

**Total**
- 25” Collar available for dogs over 60 lbs.

**DO NOT USE ON CATS.**

**HAZARDS TO HUMANS**

- Harmful  if  absorbed  through  the  skin.  Causes  moderate  eye  irritation.  Avoid  contact  with  skin,  eyes,  or  cloth ing.

**HAZARDS TO DOMESTIC ANIMALS**

- FOR USE ON DOGS ONLY. DO NOT USE ON CATS.

**DIRECTIONS FOR USE**

1. Place this collar around the dog’s neck, adjust for proper fit and buckle in place. Cut off and dispose of excess length. Do not allow dogs to play with cut-off excess. The collar must be worn tightly enough to contact skin and so that the dog cannot remove it. Activity against ticks starts within 24 hours and continues as long as the collar is worn (up to 90 days).

2. Remove at first sign of irritation or adverse reaction, bathe dog with a mild soap or non-pesticidal shampoo and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. DO NOT APPLY TO CATS. There is a risk of collar breakage and ingestion if collar is missing from a dog, search for, retrieve and return the entire collar. Immediately consult a veterinarian if dog is depressed or if ingestion is suspected.

3. Remove before bathing. This product does not control fleas.

**NOTICE:**

It is a violation of Federal Law to use this collar in a manner not consistent with its labeling. The use of this product is not to be taken internally by man or animal. Not intended for use on animals. Do not treat collared dogs with other monoamine oxidase inhibitors, or with tricyclic antidepressants, selective serotonin reuptake inhibitors or pressor agents. Sensitivities may occur after using ANY pesticide product for pets.

**FIRST AID**

- If on skin:
  - Wash skin immediately with plenty of water for 15-20 minutes.

- If in eyes:
  - Rinse skin immediately with plenty of water for 15-20 minutes.

- If swallowed:
  - DO NOT induce vomiting. Call a Poison Control Center or doctor for treatment advice.

- If on clothing:
  - Remove clothing immediately. Wash clothing with hot water.

**HOT LINE NUMBER**

- Call a Poison Control Center or doctor for treatment advice.

**Storage and Disposal:**

- Do not contaminate water, food, or feed by storage and disposal. Store away from children.

**Pesticide Storage:**

- Store out of reach of children and away from food and food containers.

**Pesticide Disposal and Container Handling:**

- When discarding cut off end and used collar, wrap in newspaper and place in trash collection.
