Kills cockroaches, ants**, snickets, spiders, ants, beetles, fleas and scorpions.

**STOP READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For indoor residential use only.

** Use No-Pest® Aid & Roach Killer as a spot treatment indoors

- Along and behind baseboards
- Around and beneath appliances
- Sconces and behind sinks
- Other areas where insects are often found

- In cracks and crevices
- In dark corners of rooms, cabinets and closets
- Around p esposa and plumbing
- Around waste containers

HOW TO USE

1. Shake well before each use.
2. Spray insects to kill on contact.
3. For long-lasting control, treat areas where insects are commonly found. Spray a fine mist of the product to prevent excessive residue and waste of product.
4. When treating for ants**, spray around door and window frames. Also treat areas before entry points and trails. Kill returning insects for up to six weeks on non-porous surfaces.
5. Exterors and corners should be sprayed directly to be killed. 

**NOTE: Point spray away from people, pets and plants. Do not use as a room spray. Contact allows people and pets to contact treated surfaces until spray has dried. Remove pets and cover aquariums before spraying. Do not allow the spray to contact food or food-contact surfaces. Thoroughly wash dishes, utensils and countertops with soap and water if they are sprayed with the product.

STORAGE AND DISPOSAL

Store in cool, dry area away from heat or open flame. Do Not Puncture or incinerated. Place in a tight cover or in a secure location. 

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

First Aid

In case of eye contact: open eye and rinse with plenty of water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes. Continue rinsing eye. Call a Poison Control Center or doctor for expert advice.

Have the product container with you when calling a Poison Control Center or doctor on going for treatment.

Note to Physician: Contains petroleum distillates — vomiting may cause aspiration pneumonitis.

Physical or Chemical Hazards

Contains petroleum distillates — fumes may cause respiratory irritation.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions. Questions or Comments? Call 1-800-974-1271.

**With the exception of fire, harvest and phonate ants**
