Aloe Herbal Horse Spray

A gentle blend of ingredients, including botanical oils, to repel flies, gnats, and other flying insects on horses. Aloe Herbal Horse Spray contains coat conditioners and sunscreen which promote a healthy coat, as well as protection from the sun.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
SHAKE CONTAINER BEFORE EACH APPLICATION.

General Directions: Apply in a covered area (i.e., stalls, barn, etc.). Brush coat to remove excess dirt and dust. For best results apply to a clean horse.

Dilution Directions: To be used in a clean spray container of your choice. Dilute with 5 parts water to 1 part horse spray. When pest pressure is high, dilute 4 parts water to 1 part horse spray.

Application Directions: Hold spray container 10 to 12 inches from coat for best application. Apply with cloth to facial area.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Causes moderate eye irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

ENVIRONMENTAL HAZARDS
For terrestrial uses. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

FIRST AID
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-328-1317 for additional information.

If in eyes:
◆ Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
◆ Call a poison control center or doctor for further treatment advice.

If on skin:
◆ Take off contaminated clothing.
◆ Rinse skin immediately with plenty of water for 15-20 minutes.
◆ Call a poison control center or doctor for treatment advice.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal.
Pesticide Storage: Store only in a cool, dry area inaccessible to children and pets. Keep container tightly closed when not in use.
Pesticide Disposal: Wastes resulting from use of this product may be land disposed on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
