**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Hazard if absorbed through the skin. Avoid contact with eyes, skin, or clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling.

**FIRST AID**

- If on Skin or Clothing:
  - Take off contaminated clothing.
  - Rinse skin immediately with plenty of water for 15 to 20 minutes.
  - Call a poison control center or doctor for treatment advice.

- If In Eyes:
  - Hold eye open and rinse slowly and gently with water for 15 to 20 minutes.
  - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
  - Call a poison control center or doctor for treatment advice.

**HOTLINE NUMBER**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact CHEMTREC® at 1-800-424-9300 for emergency medical treatment information.

**PHYSICAL OR CHEMICAL HAZARDS**

Contains under pressure. Do not use or store near open flame. Do not puncture or incinerate container. Exposure to temperatures above 100°F may cause foaming.

**DIRECTIONS FOR USE**

As a violation of Federal law to use this product in a manner inconsistent with its labeling.

**USE RESTRICTIONS**

Do not use in commercial food processing or preparation areas. In the home, avoid all exposed foods, food processing surfaces, and utensils during treatment. Do not spray food or feed crops.

This product repels dogs and cats for up to 96 hours when applied daily. Keep pets away from furniture, carpet, trees, shrubs, garbage cans, and other "sheltered areas." Indoor use: Use outdoors to break your pet's undesirable habits such as chewing on furniture and rugs or to keep out of forbidden areas. Always use with consistent training. Please your pet for good behavior and reward for good behavior.

**Recommended Directions:** Before spraying large areas of rugs, fabrics, or plants, test the effect of this product by treating a small inconspicuous area. This product may stain or soften some fabrics or plastics. To avoid possible damage, spray a piece of cloth lightly and place it on the object or area to be protected.

**Application Directions:** Spray the object lightly with this product until slightly moistened. Repeat daily, or as necessary, until undesirable habit is broken.

**RECOMMENDATION:** Repeat daily or as necessary, until undesirable habit is broken.

**OUTDOOR USE:** Use outdoors to prevent dogs and cats from chewing flowers, shrubs, trees, fences, parti-colored plants, and garbage cans.

**NOTICE:** This product is not likely to break the established behavior patterns of dogs unless it is used as a training aid.

**Recommended Directions:** Spray animals frequently allowed to areas where pets have soiled with feces or urine. To discourage repeat visits, remove any droppings and clean with water.

**Application Directions:** Do not apply directly to foliage or flowers or to ornamental shrubbery plants. Do not apply to food or feed crops. Lightly spray surrounding soil or apply to a piece of cloth and affix near area to be protected every day.

**Recommended Directions:** Repeat daily, or as necessary, until undesirable habit is broken.
