PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CORROSIVE: Causes eye damage and eye irritation. Harmful if swallowed. Do not get in eyes or on skin or clothing. Wash pigtails or face shield and rubber gloves when handling this product. Avoid contact with eyes.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, ditches, or any other water bodies in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit. The using authority has been documented to be in violation of discharge standards for failing to implement a wet weather system for discharge. Failure to discharge effluent containing this product into any water systems without conducting a discharge analysis is a violation of Federal Law.

PHYSICAL AND CHEMICAL HAZARDS: Contact with aluminum, copper, or brass can cause corrosion and rusting.

FIRST AID:
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

IF ON SKIN: Take off any contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor.

STORAGE AND DISPOSAL:
Pesticide Storage: Keep container closed when not in use. Do not store above 32°F for extended periods.

Transport: Corrosive. Safe handling practices are necessary to prevent damage to the product. DISPOSE OF IN ACCORDANCE WITH THE REQUIREMENTS OF THE NATIONAL POLLUTION DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT.

CONTAINER DISPOSAL: Nonrefillable container. Do not refill container. Triple-rinse (tie equivalent) container, preferably with water, and puncture with a sharp object, then dispose of.
