STOP. Read entire label before using.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Apply the product only as specified on the label.

To Use This Product Correctly

DO NOT USE THE COVERAGE PER ROOM.

DO NOT use in small, enclosed spaces such as closets and cabinets or under counters or tables. Use of a fogger in an enclosed area may cause the product to explode, resulting in injury to people or damage to property. DO NOT use in a room 5 ft x 5 ft. or smaller. Instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames and burning electrical appliances that cycle off and on (e.g., refrigerator, garbage disposer, etc.). Call your gas utility or management company if you need assistance with your pilot lights. Apply this product only as specified on the label.

General Precautions and Restrictions

Do not apply the product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the treated area during treatment. Do not allow adults, children or pets to enter the treated area until vapors, mists and aerosols have dissipated and the treated area has been thoroughly ventilated. Cover any water available to fish (such as aquariums and ornamental fish ponds) during treatment, and turn aquarium systems off. Do not apply when food is present. Exposed food should be covered or removed. All food-preparation surfaces and utensils should be covered during treatment or thoroughly washed before use. Do not use in greenhouses where plants are grown for food. Do not apply directly into streams or ditches, or to any area like floor drains where drainage to storm sewers, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application. Exit area immediately and remain outside the treated area until the area is thoroughly ventilated and until vapors, mists or fumes have dissipated. Wait two hours after application, then open windows, vents and doors for two hours. If an odor is detected, additional ventilation is required.

Before You Fog

1. OPEN cabinets, cupboards, drawers, closets and doors in areas to be treated. REMOVE or cover exposed foods, clothes, utensils, food-processing equipment and surfaces. REMOVE pets and birds and COVER and turn off all flow systems in aquariums. REMOVE or COVER children's and pet toys. COVER exposed wood floors and waxed wood furniture in the immediate area surrounding the fogger (newspaper may be used). 2. CLOSE outside doors and windows. SHUT OFF fans and air conditioners and temporarily disconnect smoke alarms. 3. TURN OFF ALL FLAMES, PILOT LIGHTS, IGNITION SOURCES and turning electrical appliances that cycle off and on. Call your gas utility or management company if you need assistance. 5. DO NOT use fogger in a building until at least 2 hours have elapsed.

To Start Fogging

1. Place a chair, table or stand in the center of the room to be fogged. Cover with several layers of newspaper or paper towels. SHAKE WELL BEFORE USING. Tilt spray head away from face (fogger sprays up), 2. Press valve on the right way down, touching the cap. Do not shake the spray mist. Set fogger on newspapers or paper towels and leave the premises immediately. 3. Close doors and from "Fogger in Use" tag on dropper. KEEP TREATED AREA CLOSED AND DO NOT RE-ENTER FOR AT LEAST TWO HOURS. Keeping treated area sealed for a longer period will enhance fogger performance. Vacate the treated house, individual apartment unit or other structure immediately.

After Fogging

1. Airing Out Before Recomputing the Area. OPEN ALL DOORS AND WINDOWS, TURN ON AIR CONDITIONER AND FANS AND ALLOW TREATED AREA TO AIR OUT FOR TWO HOURS. Turn on smoke alarms and appliances. Note: When treating for fleas and lice, clean and treat pet sleeping areas. Also treat dogs and cats with a flea and tick control product registered for use on pets before allowing them to re-enter the treated areas.

Storage and Disposal

Storage: Store in cool, dry area away from heat or open flame. Do Not Punch or Incinerate Disposal: If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

Precautionary Statements

Hazards to Humans and Domestic Animals Contains Petroleum Distillate. CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing and wash before re-use. Breathing spray mist may be harmful.

FIRST AID: If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-30 minutes. Call a Poison Control Center or doctor for treatment advice. In Eyes: Flush eyes open and manually and gently with plenty of water for 15-30 minutes. Remove contact lenses, if present, after the first five minutes. Then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice. IF SWALLOWED: Immediately call a Poison Control Center or doctor. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: May cause anaphylactic reactions. Contains petroleum distillate.

\*product container or label with your local calling a Poison Control Center or doctor or going for treatment. You may also contact 1-800-917-5438 for emergency medical treatment information.

Physical or Chemical Hazards
