PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Poisonous to livestock, poultry, and some mammals. Do not use where water, food, or feed is accessible to nontarget animals. Do not use around bees, birds, fish, marine life, aquatic life, or other non-target wildlife. Use only those areas inaccessible to nontarget animals.

Personal Protective Equipment (PPE)

All handlers should wear long-sleeved shirts and long pants, gloves, eye protection, and shoes that offer good traction. Avoid contact with skin, eyes, or clothing. It is recommended to use a respiratory protection, if needed, when handling this product and its packaging.

USER SAFETY REQUIREMENTS

Read and understand the label before use. The products are made for use only by adults. Do not use by children, even if under adult supervision. Do not use in the presence of children or pets.

Environmental Hazards

This product is not intended for use near water, livestock, or poultry. If it comes in contact with livestock, poultry, or household pets, immediately wash thoroughly with soap and water. If the product is ingested by livestock, poultry, or household pets, seek veterinary advice.
