MADE WITH REAL CItronella OIL
STOP. READ ENTIRE LABEL BEFORE USE.
FOR OUTDOOR USE ONLY. NEVER LEAVE ANY BURNING CANDLE UNATTENDED.
DO NOT USE WATER TO EXTINGUISH.
To reduce annoyance of mosquitoes, use one or more candles in still air. Best results within 3 ft. Do not use indoors or in enclosed areas such as garages, porches or tents. Place candles at least 18 inches apart. Container may become hot; handle carefully. Place on heat-resistant surface away from anything flammable and out of reach of children or pets. Do not move candle while burning or before wax hardens. Always extinguish flame before moving.
Do not BLOW OUT OR use water to extinguish – smother flammable material to extinguish.
Keep wick trimmed to ½ inch or less at all times. Keep candles free of matches or other foreign matter, which may present a fire hazard. Discontinue use when 1 inch of wax remains. To maximize the repellent barrier, use several Repel® Insect Repellent Citronella Candles to create perimeter protection against flying insects.
Remove lid before burning. Place lid on top of tin to extinguish. Lid will be hot after extinguishing flame.
PRECAUTIONARY STATEMENTS • Hazards to Humans and Domestic Animals
CAUTION.
FIRST AID • If Swallowed:
Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.
STORAGE AND DISPOSAL • Storage:
Store in cool dry place.
Disposal: If empty:
Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available.
If partly filled:
Call your local solid waste agency for disposal instructions.
NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
