**FIRST AID**

**HOT LINE NUMBER**

For 24-Hour Medical Emergency Assistance (Human or Animal) Call 1-800-498-5743

Or Chemical Emergency Assistance (Spill, Leak, Fire or Accident) Call 1-800-424-9300

NOTE TO PHYSICIAN: If swallowed: This material may reduce the clotting ability of the blood and cause bleeding. If ingested, administer Vitamin K₁ intramuscularly or orally. Vitamin K₁ is antidotal at doses of 10-20 mg (not mg/kg). Repeat as necessary based on monitoring of prothrombin times.

**TREATMENT FOR PET POISONING:**

If animal eats bait, call veterinarian or HOT LINE NUMBER at once.

NOTE TO VETERINARIAN: Anticoagulant Brodifacoum:

For animals ingesting bait and/or showing poisoning signs (bleeding or elevated prothrombin times), give Vitamin K₁ at doses of 2.5-5 mg/kg. If needed, check prothrombin times every 3 days until values return to normal (up to 30 days). In severe cases, blood transfusions may be needed.

**User Safety Requirements**

Follow manufacturer’s instructions for cleaning/maintaining PPE if no such instructions for washables, use detergent and hot water. Keep and wash PPE separate from other laundry. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash hands thoroughly after applying bait and before eating, drinking, chewing gum, using tobacco or using the toilet and change into clean clothing.

**Environmental Hazards**

This product is extremely toxic to mammals and birds. Dogs, cats and other predatory and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. This pesticide is toxic to fish. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Runoff may also lead to aquatic organisms in water adjacent to treated areas, do not contaminate water when disposing of equipment wash water or rinse.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. READ THIS LABEL: Read this entire label and follow all use directions and use precautions. Use this product only as directed, for the pets, and application methods described on this label.

**Important:** Do not expose children, pets, or other non-target animals to rodenticides to reduce exposure:

- Store product not in use in a location out of reach of children or pets. Apply bait in locations out of reach of children, pets, domestic animals, and non-target wildlife, or in tamper-resistant bait stations. All above ground, outdoors applications must be in tamper-resistant bait stations. These stations must be resistant to destruction by dogs and by children under 6 years of age, and must be used in a manner that prevents such children from reaching into bait compartments and obtaining bait. If bait can be shaken from stations when they are lifted, units must be secured or otherwise immobilized. Even stronger bait stations are needed in areas open to hoofed livestock, raccoons, bears, or other potentially destructive animals, or in areas prone to vandalism.

- Dispose of product container, and unused, spoiled, and unconsument bait as specified on this label.

**Storage and Disposal**

Do not contaminate water, food or feed by storage or disposal. Pesticide Storage: Store only in original container in a cool, dry place inaccessible to children and pets. Keep containers closed and away from other chemicals.

Pesticide Disposal: Dispose of wastes resulting from the use of this product at an approved waste disposal facility or call your local solid waste agency for alternative disposal instructions. New place product container on top of oven or in the garbage.

**Container Handling:** Nonrefillable container. Do not reuse or refill this container. When completely empty, offer for recycling if available, or dispose of empty container in a sanitary landfill, by incineration, or by other procedures allowed by state and local authorities.

**Conditions of Sale and Limitation of Warranty and Liability**

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If these terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather or crop conditions, presence of other materials or other influencing factors in the use of the product, which are beyond the control of HACCO, Inc. or Seller. To the extent permitted by applicable law, HACCO, Inc. makes no warranties of merchantability or fitness for a particular purpose or any other express or implied warranty except as warranted by this label. HACCO, Inc. MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS WARRANTED BY THIS LABEL.

**Disclaimer of Liability:**

The use or handling of this product, in the event permitted by applicable law, in no event shall HACCO, Inc. be liable for any incidental, consequential or special damages resulting from the use or handling of this product, to the extent permitted by applicable law. THE EXCLUSIVE REMEDY OF THE USER IS REBATE, AND THE EXCLUSIVE LIABILITY OF HACCO, INC. AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, OR STRICT LIABILITY) OR OTHERWISE RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF HACCO, INC. OR SELLER, THE REPLACEMENT OF THE PRODUCT.

HACCO, Inc. and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of HACCO, Inc.

**WARNINGS: USE RESTRICTIONS**

- For control of Norway rats, roof rats and house mice in and around agricultural buildings.
- Do not use in homes or other human residences.
- Do not apply within 50 feet from buildings.
- Do not sell this product in individual containers holding less than 8 pounds of bait.
- When used in USDA-inspected facilities, this product must be applied in tamper-resistant bait stations.
- Do not use in sewers.
- Do not contaminate water, food, feedstuffs, food- or feed-handling equipment, milk- or meat-handling equipment, or surfaces that come in direct contact with food.
- Do not place near or inside ventilation duct openings.
- Do not broadcast.

**Selection of Treatment Areas**

Determines areas where rats and/or mice will most likely find and consume the bait. Generally, these areas are along walls, by grated openings, in or beside burrows, in corners and concealed places, between floors and walls, or in locations where rodents or their signs have been observed. Remove as much food as possible.

**Application Directions**

Norway and Roof Rats: Apply 4–16 oz. of bait usually at intervals of 15–30 ft. per place. Maintain an uninterrupted supply of fresh bait for 10 days or until signs of rat activity cease. House Mice: Apply 1/4–1/2 oz. of bait per place. Space placements at intervals of 8–12 ft. Larger placements (up to 2 oz.) may be needed at points of very high mouse activity. Maintain an uninterrupted supply of fresh bait for 15 days or until signs of mouse activity cease.

Follow-Up: Replace contaminated or spoiled bait immediately. Collect and dispose of dead rodents and leftover baits properly. To prevent reintroduction, limit sources of rodent food, water, and harborage as much as possible. Where a continuous source of infestation in present, maintain permanent bait stations and replenish with census or toxic bait as needed.

**Second Generation Anticoagulant**

Kills Warfarin-Resistant Norway Rats and House Mice.

Norway Rats and house mice may consume a lethal dose in one night’s feeding, with the first dead rodents appearing four or five days after feeding begins.

**KEEP OUT OF REACH OF CHILDREN CAUTION**

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

CAUTION: Harmful if swallowed or absorbed through the skin. Keep away from children, domestic animals and pets. Do not get in eyes, on skin, or on clothing.

All handlers (including applicators) must wear long-sleeve shirt, long pants, shoes plus socks, and gloves. Any person who retrieves carcasses or unused bait following application of this product must wear long-sleeve shirt, long pants, shoes plus socks, and gloves. Wear gloves at all times. Do not use in homes or other human residences. Do not apply within 50 feet from buildings. Do not sell this product in individual containers holding less than 8 pounds of bait. When used in USDA-inspected facilities, this product must be applied in tamper-resistant bait stations. Do not use in sewers. Do not contaminate water, food, feedstuffs, food- or feed-handling equipment, milk- or meat-handling equipment, or surfaces that come in direct contact with food. Do not place near or inside ventilation duct openings. Do not broadcast.
