
STORAGE AND DISPOSAL

STORAGE:

Keep out of reach of children. Do not store in direct sunlight. Use only in the presence of a mist-eliminating component. Store in a cool, dry place. Do not store or use near a source of ignition. Keep container closed. Do not contaminate water, food or feed by storage, disposal, or cleaning of equipment.

DISPOSAL:

Do not contaminate water, food or feed by storage, disposal, or cleaning of equipment. Do not reuse or refill this container. Triple rinse or pressure rinse when emptying. Then offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by procedures approved by state and local authorities.

STORAGE:

Store in a cool, dry place. Do not store or use near a source of ignition. Keep container closed. Do not contaminate water, food or feed by storage, disposal, or cleaning of equipment.

CONTAINER DISPOSAL:

Disposal of a container may be regulated in your area. Contact your waste disposal service provider or the local authorities for proper disposal methods.

DIRECTIONS FOR USE

For the control of microbial biofilms, bacteria, algae, and fungi, add GAX-26 to industrial recirculating water cooling towers and industrial recirculating closed loop cooling systems. Add GAX-26 at all points in the system to insure uniform mixing. 3.0 - 8.0 ppm GAX-26 (0.3 – 1.86 pound or 4.5 – 28 fluid ounce of GAX-26 per 1000 gallon of water in the system) as a treatment for the removal of excess bacterial contaminant. Do not use this product in a manner inconsistent with its labeling. Do not contaminate water, food or feed by storage, disposal, or cleaning of equipment.

INITIAL DOSE:

When the system is noticeably fouled, apply 148 – 883 ppm GAX-26 (1.26 – 7.46 pound or 19 – 113 fluid ounce of GAX-26 per 1000 gallon of water in the system) depending upon the severity of contamination to control microbial biofilms, bacteria, algae, and fungi which cause build-up in industrial air washer systems. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

CONTINUOUS FEED METHOD

For use only in systems that maintain effective mist-eliminating components. Do not contaminate water, food or feed by storage, disposal, or cleaning of equipment or disposal of

FIRST AID

IF IN EYES:

Hold eye open and rinse slowly and gently with water for 15 - 20 min. Remove contact lenses if present, after first 5 min. then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF INHALED:

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be necessary. NOTE TO PHYSICIAN:

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be necessary.

GAX-26 weighs 8.4 lb/gallon.

This chemical is toxic to aquatic plants, fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. It is a violation of Federal law, necessary unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. EPA Region 6, or other authorized organization, for guidance. In case of emergency call 1-866-923-4919. FOR SALE TO THE EXTENT PERMITTED BY LAW, NEITHER DUBOIS CHEMICALS, INC. NOR SELLER SHALL BE LIABLE FOR ANY DIRECT, INDIRECT, OR CONSEQUENTIAL DAMAGES RESULTING FROM THE HANDLING, STORAGE, OR USE OF THIS PRODUCT.

Conditions of sale

DuBois Chemicals, Inc. warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label only when used in accordance with label directions and is reasonably fit for the purpose stated on the label only when used in accordance with label directions and is reasonably fit for the purpose stated on the label only when used in accordance with label directions. To the extent permitted by law, neither DuBois Chemicals, Inc. nor seller shall be liable for any direct, indirect, or consequential damages resulting from the handling, storage, or use of this product.
