DIRECTIONS FOR USE:
It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not use in commercial food/feed handling establishments, restaurants or other areas where food is commercially prepared or processed. Use only in non-food production areas. Remove protective cap, hold container upright and direct spray away from face. Hold can 12-15 inches from surface being sprayed. Press valve down and spray as directed. Spray surface until sightly wet (at a rate of 4 ounces per 1000 square feet). INDOORS: COCKROACHES (including adult and immature stages of both non-resistant and organophosphate and carbamate resistant strains), ANTS, BOXBEETLES, BOXLEAF BEETLES, CENTERPEDES, CRICKETS, DERMITIDs, FIREBRATS, FLEAS, PALMETTO BUGs, BUGS, SILLERTHIS, SOWBUGS, Ticks and WATERBUGS: Apply thoroughly to all areas where these pests crawl and hide, especially in cracks and crevices, and hidden areas around sinks and storage areas. Behind baseboards, on doors and windows, and under refrigerators, cabinets, sinks and stoves, the undersides of sinks, drawers, bookshelves, and similar areas. When pests are driven out, spray directly. Repeat as necessary. ANTS: Spray around and under sinks, doors and windows and other areas where ants enter premises. Spray around nests hidden under shrubs, brickwork, concrete, etc. Break apart accessible nests and spray freely on and around debris. Repeat as necessary. BROWN DOG TICKS AND FLEAS IN BUILDINGS: Apply in infested areas such as pet beds and nesting quarters, nearby cracks and crevices, under the edges of rugs and floor coverings, between and under cushions of upholstery furniture and other areas in which these pests may be present. Old bedding of pets should be replaced and replaced with clean fresh bedding after treatment of pet areas. Do not use directly on pets. SPIDERS: Apply along and behind baseboards, to windows and door frames, corners, pipes, storage lofts, attics, crawlspaces and other areas over which these pests may crawl. CENTERPEDES, CRICKETS, GROUND BEETLES, MILLipedes, MILLEPEDES, CRICKETS, MOTHs, MILLipedes, SCORPIONS, SILVERFISH, SOWbugs, SCORPIONS and Ticks: Apply around doors and windows and other places where these pests may enter premises. Treat baseboards, storage areas and other locations where these pests are found. CARPET BEETLES (BLACK, FURNITURE AND VARIOUS): Spray on and under edges of floor coverings, under rugs and furniture and in closets or other locations where these insects are found.

STORAGE AND DISPOSAL:
Do not contaminate water, food, or feed by storage and disposal. STORAGE: Do not store near heat or open flame. Spill in a cool dry area away from children. Do Not Furnish or Incinerate. DISPOSAL: IF empty, Place in trash or offer for recycling if available. If partly filled, Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Prolonged or frequent repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly after handling. Remove and wash clothing before reuse. Avoid contamination of food and feed.

FIRST AID:
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Wash skin immediately with plenty of water for 15-20 minutes. IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information on this product, including health concerns, medical emergencies, or pesticide incidents, call 1-800-635-9553.

NOTE TO PHYSICIAN: Contains petroleum distillate – vomiting may cause aspiration pneumonia.

ENVIRONMENTAL HAZARDS:
This product is extremely toxic to fish and aquatic wildlife. Do not apply directly to water. GENERAL OR CHEMICAL HAZARDS:
FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not incinerate or incinerate cyanide. Exposure to temperatures above 130°F may cause bursting.

ACTIVE INGREDIENTS:
*Phenthoate 2.4-D Dicamba and Mecarbam 2,4-D Methyl 2-2-Methylene Propylene Oxide/ 2-Methylene Propylene Oxide
**Phenol 1.14% 2-Methylene Propylene Oxide/ 2-2-Methylene Propylene Oxide
***Phenol/2-Methylene Propylene Oxide/ 2-2-Methylene Propylene Oxide

Keep Out of Reach of Children. CAUTION: See side panel for additional precautionary statements.
