PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: May be harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS
This pesticide is extremely toxic to fish. For terrestrial use: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsates. This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

PHYSICAL OR CHEMICAL HAZARDS
Do not apply this product around electrical equipment due to possible shock hazard.

FIRST AID: If ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. If eye irritation occurs, immediately flush eyes with大量清水 for 15-20 minutes. Call the Poison Center or doctor for treatment advice. IF SWALLOWED: Immediately call a Poison Control Center or doctor. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. For information regarding medical emergencies or pesticide incidents call 1-800-275-1414.

Read directions on box for additional application instructions before using this product.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Snake Well Before Use.

This product helps remove annoying and troublesome outdoor insects. Do not spray on animals. People and pets should not be allowed to enter treated areas until spray has dried. This product kills most outdoor insects, which destroy lawns, gardens, and are an annoyance on patios and at picnics.

Directions for Hose-End Sprayer
The enclosed hose-end sprayer is calibrated to deliver the correct amount of Hartz® UltraGuard™ Yard Spray in accordance with label directions. Use this sprayer ONLY with the accompanying bottle of Hartz® UltraGuard™ Yard Spray, in accordance with label directions.

1. Make certain the valve is in the OFF position.
2. Screw the sprayer attachment onto the garden hose.
3. Remove the cap from the Hartz® UltraGuard™ Yard Spray container and place into the sprayer attachment until tight.
4. Turn on water at faucet while shying the sprayer toward the lawn and turn the control knob of the sprayer attachment to the ON position to begin spraying.
5. When finished spraying, turn the control knob to the OFF position.

Discharge residual water pressure by turning ON and OFF again. Store out of reach of children.

Use on Lawns: Kentucky bluegrass, Bent, Bermuda, Bluegrass, Dichondra, Fescue, Flock Moss, Mondo and St. Augustine. Pests: Ants, Armyworms, Brown Dog ticks, Chinch bugs, Crickets, Cutworms, Deer ticks, Fleas, Grasshoppers, Japanese beetle grubs, Mole crickets and Salt marsh crickets. Thoroughly wet down grass a few hours before applying. Home lawns should be no taller than 3 inches at time of application. For heavy infestations, repeat application after 2 weeks. For listed insects: 16 l. oz. treats 2,650 sq. ft.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage and disposal.

STORAGE: Store in a cool, dry place, preferably a locked storage area.

Above freezing. Do not store inside electrical equipment. Store with container tightly closed. Keep pesticides in original container; do not transfer to food or drink container. Avoid contamination of food, feed, and domestic water supplies. CONTAINER DISPOSAL: It is illegal to dispose of this container. Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drains.

KEEP OUT OF REACH OF CHILDREN

CAUTION: KEEP OUT OF REACH OF ANIMALS.
