SHAKE WELL BEFORE USING.

Fleas: Use Hartz® UltraGuard Plus™ Flea & Tick Home Spray in homes, garages, attics, apartments and hotels. One bottle will treat a surface area equivalent to approximately three 9' x 12' rooms. A fine spray applied uniformly is all that is necessary to kill fleas. Avoid wetting furniture and carpeting. Remove birds and cover aquariums before spraying. For maximum effectiveness treat entire carpeted area. Treat carpets, rugs, drapes and all surfaces of upholstered furniture. Old pet bedding should be removed and replaced with clean fresh bedding after treatment of pet area. Retreat as necessary. Leave treated areas and do not return for at least one hour.

Avoid contamination of food and foodstuffs. Do not use in the edible product areas of food processing plants, restaurants, or other areas where food is commercially prepared, processed, stored or served.

To kill ticks, roaches, silverfish, earwigs and ants in the environment, apply directly to pests.

STORAGE AND DISPOSAL: Storage:
Store in original container, away from children. Protect from freezing or high temperatures. Disposal:
If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
