**Mosquito Repellent Coils**

**Keep Out of Reach of Children and Domestic Animals**

**CAUTION**

If swallowed, contact Health Care Professional immediately. Do not apply directly on the skin.

**Instructions for Use**

1. Place coil on the wall in the area where mosquitoes are active.
2. Ensure the coil is at least 1 meter from any person or animal.
3. Keep children and pets away from the coil when not in use.

**Storage and Disposal**

- Store in a cool, dry place.
- Do not expose to direct sunlight.
