DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. KLEAN DRAIN is for use in the drain pans of many cooling units such as air conditioners and refrigerators. Controls foul smelling odors caused by mildew, fungi, bacteria, algae and slime. For use in hotels, motels, schools, colleges, hospitals, nursing homes and airports. Effective against odor-causing bacteria. For use in floor drains found in food processing plants, bars & restaurants. KLEAN DRAIN is a controlled release product that easily fits into most air conditioners, refrigerator drip pans or the water tank of your dehumidifier. Because of the controlled release mechanism, KLEAN DRAIN will last up to six months (heavier than normal use may require replacement in less than six months for best results) effectively maintaining clean water and inhibiting the foul odors caused by mildew. Not for use in heat vaporizing or atomizing type vaporizing humidifiers.
