Workhorse® Sapstain and Mold Control Product

US Patent Number 6,375,727 and 7,056,919. Additional Patents Pending

Aids in the control of blue stain, wood decay and decay of freshly cut lumber, dry lumber and other wood based products when properly used. Effective on softwoods including Douglas fir, White fir, Spruce, Hemlock, the Pines including both the Southern and Western Yellow Pines, Eastern and Western White Pines and many of the hardwoods.

KEEP OUT OF REACH OF CHILDREN

DANGER

Precautionary statements
Hazard to humans and domestic animals

Danger

Corrosive. Causes skin burns. Causes irreversible eye damage. Harmful if absorbed through skin. Harmful if inhaled. Harmful if swallowed. Do not get in eyes, on skin, or on clothing. Avoid breathing spray mist. Wear protective eyewear (goggles or face shield), coveralls worn over long-sleeved shirt and long pants, socks, chemical-resistant footwear, and chemical-resistant gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Personal protective equipment (PPE)

Applicators and other handlers should wear:
1. Coveralls over long-sleeved shirt and long pants,
2. Chemical-resistant boot or shoes plus socks.
3. Goggles or safety glasses with face shield.
4. Chemical-resistant gloves (such as barrier laminate, nitrile rubber, neoprene rubber and aluminized).
5. Respirator with an organic vapor/mist filtering cartridge with a prefilter approved for pesticides (MB113/MB100) or a canister approved for pesticides (MB113/MB100) or a NIOSH approved respirator with an organic vapor (UV) cartridge canister with any R, P, or AP cartridge.

User safety requirements

Follow manufacturers instructions for clean-up and PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

User safety recommendations

Users should:
1. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
2. Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
3. Remove personal protective equipment immediately after handling this product. Wash outside of gloves before removing. As soon as possible wash thoroughly.

Environmental hazards

This product is toxic to fish and shrimp. Do not apply directly to water. Do not contaminate water when disposing of equipment wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and/or the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of Environmental Protection Agency.

Physical or chemical hazards

Combustible - Do not use, store, or allow near heat or open flame.

In case of fire

Use water spray or foam, dry chemical or carbon dioxide to extinguish fire.

Limit of warranty and legality

We warrant this material to comply with our published specifications and to be of good merchantable quality and such as will regularly pass in the trade for goods within the description, and further warrant such goods to be fit for the normal purposes for which goods are used. We assume no responsibility that the goods covered in this contract are fit for any particular purpose for which they are being bought outside of the general purposes of goods of the description.
