DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor use only:

- Do not make applications during rain.
- Do not water the treated area to the point of runoff.
- Do not apply this product in a way that will contact adults, children or pets, either directly or through drift.
- Do not apply this product on foliage, leaves, lawn, or foliage other than that indicated on the label.
- Do not treat the area with this product and allow at least 5 minutes before grazing or other activities that could result in a build-up of residue on treated areas.
- Do not apply this product in the manner inconsistent with its labeling.

Storage and Disposal:

- Do not contaminate water, food or feed by storage or disposal.
- Pesticide Storage: Store in a cool place away from heat, direct sunlight, or open flame. Pesticide Disposal and Container Handling: Do Not Puncture or Incinerate. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic animals:

CAUTION. Causes moderate eye irritation. Avoid contact with eyes. Do not get on skin or on clothing. Harmful if swallowed or inhaled. Do not breathe vapor or spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

First Aid:

- If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.
- If Inhaled: Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for treatment advice.
- If Swallowed: Immediately call Poison Control Center or doctor. Do not induce vomiting unless told to do so by Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. If Inhaled: Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice.
- Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-888-890-1181 for emergency medical treatment information.

Environmental Hazards:

- This product is not predicted to contribute to marine organisms, including fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwaters or rinsate.
- Do not apply this product around electrical equipment due to the possibility of shock hazard. Exposure to temperatures above 130°F may cause burning.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
