GREENCLEAN® TABLETS

Same formula as GreenClean® Granular Algaecide in the convenience of a tablet.

- Easy to use
- Treats, controls, and prevents algae growth.
- No measuring required.
- Not harmful to fish and aquatic life.
- Reduces organic build-up and noxious odors including hydrogen sulfide.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMAN AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage. Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing dust. Do not get in eyes, on skin or on clothing. Wear protective eyewear (goggles, face shield, or safety glasses) and gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. When prolonged or repeated contact may occur, use chemically resistant gloves and full body clothing.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to birds. Do not contaminate water when disposing of equipment washwaters or rinsate.

PHYSICAL AND CHEMICAL HAZARDS

Strong oxidizing agent. Corrosive. Mix only with water in accordance with label instructions. Do not bring in contact with other pesticides, cleaners or oxidative agents.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply to waterbody margins when amphibian eggs or young (e.g. tadpoles) are present.

Corrosive. Causes irreversible eye damage. Wear protective eyewear (goggles, face shield, or safety glasses) and gloves when applying GreenClean Tablets. Wash hands after use.

</tr>
</tbody>
</table>

**APPLICATION INSTRUCTIONS:**

- Add tablet(s) according to the recommended application rates. When using more than one tablet in an application, distribute the tablets evenly throughout the water body.
- Skim any dead algae and organic matter that rises to the water's surface after treatment. Allowing dead organics to sink and decay will provide a food source and additional nutrients that stimulate algae re-growth and further blooms.

**GENERAL TREATMENT NOTES:**

- Use for algae control in early spring and all season long.
- Control is most easily achieved when algae are not yet well established. Regular maintenance applications will prevent algae from appearing.
- Apply GreenClean Tablets on a bi-weekly basis. Do not apply more than twice a month.
- Never apply at higher than recommended rates.
- GreenClean Tablets is a slow-release formula. Results will not be immediate, but will be prolonged.
- For flare-ups and spot treatments, use GreenClean Granular according to label directions. Wait at least 72 hours to apply GreenClean Granular before or after GreenClean Tablets application.
• GreenClean Tablets can be applied to water features such as fountains and ornamental water features containing fish when used at listed rates.

• If using in conjunction with other water additives (such as bacteria or enzymes) always apply GreenClean Tablets first, and wait 48 hours before adding any other products.

• Never mix GreenClean Tablets with aquatic herbicides or algacides containing copper or bromides. Always apply GreenClean Tablets at least 48 hours prior to the application of these other products.

---

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE:** Store in original containers in dry, cool, well-vented area. Do not allow product to get wet. Keep away from direct sunlight. Do not allow product to become overheated in storage. This may cause increased degradation of the product, which will decrease product effectiveness. In case of spill, flood area with large quantities of water. Do not store in a manner where cross-contamination with other pesticides or fertilizers could occur.

**CONTAINER DISPOSAL:** Nonrefillable container. If empty – Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled – Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

---

**WARRANTY**

This material conforms to the description on the label and is reasonably fit for the purposes referred to in the directions for use. Timing, unfavorable temperatures, water conditions, presence of other materials, method of application, weather, watering practices, nature of soil, disease problem, condition of crop, incompatibility with other chemicals, pre-existing conditions and other conditions influencing the use of this product are beyond the control of the seller. To the extent allowable by law, buyer assumes all risks associated with the use, storage, or handling of this material not in strict accordance with directions given herewith. TO THE EXTENT ALLOWABLE BY LAW, NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY IS MADE.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions. Failure to use as directed or changes in water conditions not consistent with label may result in loss or injury to aquatic life.
