**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. For medical emergencies only, call 800-332-9441. Outside North America call 612-8666.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage and disposal.

**CONTAINER HANDLING/PESTICIDE STORAGE/CONTAINER DISPOSAL:** Non-refillable container. Open during use. Do not reuse empty container. If a leaky container must be contained within another, mark the outer container to identify the contents. Store pesticides away from foods, pet food, feed, seed, fertilizers, and veterinary supplies. Keep this product under locked storage sufficient to make inaccessible to children or persons unfamiliar with its proper use.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticides, spray mixtures or rinsewater is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

**RESIDUE REMOVAL INSTRUCTIONS:** To clean the container before final disposal, empty the remaining contents from this container into application equipment. Fill the container 1/4 full with water. Replace and tighten closures. Stand the container on its end and tip it back and forth several times. Empty the rinsates into application equipment or a mix tank or store rinsates for disposal. Repeat this procedure two more times. Follow Pesticide Disposal Instructions for rinsate disposal.
