DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with the labeling.

READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON HORSES, FERRETS, DOGS, and CATS.

Follow all precautions and directions. Shampoo before the bath.

For external use only. Caution: Keep out of the reach of children and domestic animals.

For shampooing: Wet the animal thoroughly. Wet the coat, then apply a moderate amount of the product, avoiding the eyes. Gently rub the shampoo into the coat, avoiding the eyes. Rinse thoroughly with water. Avoid contact with eyes. Always read and follow the directions on the label.

For flea and tick treatments: Wet the coat. Apply a moderate amount of the product, avoiding the eyes. Gently rub the substance into the coat. Leave on the coat for one minute. Rinse thoroughly with water. Avoid contact with eyes.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

WARNING

Caution: This equipment is not intended for use by people (including children) with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the equipment by a person responsible for their safety.

FIRST AID

IF IN EYES:

• Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED:

• Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid by mouth to an unconscious person.

• Provide ventilation.

• If a person is breathing, call a poison control center or doctor for treatment advice.

IF SKIN OR CLOTHING IS EXPOSED TO THE SUBSTANCE:

• Remove skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

• Do not remove any clothing unless it is on fire. Do not give anything by mouth to an unconscious person.

• If a person is not breathing, call 911 or an ambulance. Then give artificial respiration, preferably mouth-to-mouth at a rate of 1 breath every 5 seconds (20 breaths per minute).

• Do not give anything by mouth to an unconscious person.

• Call a poison control center or doctor for further treatment advice.

Follow the product container or label with you when calling a poison control center or doctor or going for treatment. For information regarding medical emergencies or poison controls, call 1-800-764-3990.
