**GUARANTEED ANALYSIS**
Total Nitrogen (N) ............ 18.00%
1.17% Ammonium Nitrogen
Available Phosphate (P₂O₅) .... 3.00%
Soluble Potash(K₂O) ........ 6.00%
Sulfur (S) .................. 3.11%
-3.11% Free Sulfur (S)

Derived From: Diammonium Phosphate, Urea, Potassium Polyamide Coated-Sulfur-Coated Urea, Urea.

*7.20% Slowly Available Urea Nitrogen From Polymer-Coated-Sulfur-Coated Urea
Chlorine(Cl), Not more than 6.00%
F315 FG52261

Net Weight 50 lbs (22.70 kg)

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with the following:

- As a fertilizer
- As a feed supplement
- As a seed treatment
- As a soil amendment
- For irrigation
- For use in the manufacture of any product

- As a pesticide
- As a medicine
- As a human food
- As animal feed

**PRODUCT INFORMATION:**
- This product combines boron and fertilizer to provide a combination of nutrients that is beneficial for plant growth and development.
- It is formulated to provide a balanced blend of nutrients that is suitable for a variety of crops.
- It is designed to enhance the growth and yield of crops, resulting in improved crop quality and increased productivity.

**SAFETY INFORMATION:**
- This product contains boron, which is a toxic substance that can be harmful if ingested or inhaled.
- It is important to follow the safety precautions and instructions provided with the product at all times.

**APPLICATION INFORMATION:**
- This product is not recommended for use on plants that are sensitive to boron.
- It is important to follow the recommended rates and application instructions provided with the product.

**STORAGE AND DISPOSAL:**
- Do not contaminate water, food or feed by storage or disposal.
- Store in original container in a locked storage area out of reach of children and domestic animals.

**PESTICIDE DISPOSAL:** Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Nonrefillable containers. Do not reuse or refill this container. Completely empty bag into application equipment. Do not dispose of empty bag in a sanitary landfill or by incineration or by any method prohibited by local authorities.

**MANUFACTURED BY:**
Howard Johnson's Enterprises, Inc.
3057 E 68th Street, Franklin, IN 46132

**REFERENCES:**
- **Application Notes:**
  - **Application Notes (a):** Following the instructions provided with the product at all times.
  - **Application Notes (b):** Follow the recommended rates and application instructions provided with the product.

**NOTES:**
- **Notes (a):** Use as directed for the product.
- **Notes (b):** Use as directed for the product.

**WARNING:**
- This product is a potent Boron fertilizer with potential to cause severe toxicity if ingested or inhaled.
- It is important to follow the safety precautions and instructions provided with the product at all times.

**HEALTH HAZARDS:**
- This product contains boron, which is a toxic substance that can be harmful if ingested or inhaled.
- It is important to follow the safety precautions and instructions provided with the product at all times.

**ENVIRONMENTAL HAZARDS:**
- This product is formulated to enhance the growth and yield of crops, resulting in improved crop quality and increased productivity.
- It is important to follow the recommended rates and application instructions provided with the product.

**APPLICABILITY TO GARDEN FLOWERS AND VEGETABLE:**
- This product is designed for use on a variety of crops, including vegetables and garden flowers.
- It is important to follow the recommended rates and application instructions provided with the product.

**SUSCEPTIBILITY TO PESTS:**
- This product is formulated to enhance the growth and yield of crops, resulting in improved crop quality and increased productivity.
- It is important to follow the recommended rates and application instructions provided with the product.

**BROADCUT WEEDS:**
- This product is formulated to enhance the growth and yield of crops, resulting in improved crop quality and increased productivity.
- It is important to follow the recommended rates and application instructions provided with the product.

**APPLICATION INFORMATION:**
- This product is not recommended for use on plants that are sensitive to boron.
- It is important to follow the recommended rates and application instructions provided with the product.

**STORAGE AND DISPOSAL:**
- Do not contaminate water, food or feed by storage or disposal.
- Store in original container in a locked storage area out of reach of children and domestic animals.

**PESTICIDE DISPOSAL:** Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Nonrefillable containers. Do not reuse or refill this container. Completely empty bag into application equipment. Do not dispose of empty bag in a sanitary landfill or by incineration or by any method prohibited by local authorities.
