**WHIZZER®** is a concentrated disinfector cleaner that is effective against a broad spectrum of bacteria, is virucidal* (including HIV-1, the AIDS Virus and Hepatitis B Virus and Hepatitis C Virus), fungicidal, and inhibits the growth of mold and mildew when used as directed. Whizzer® can be used to clean and disinfect athletic and exercise facilities. Whizzer® is effective in hard, nonporous surfaces, thoroughly wetting surfaces with a cloth, mop, sponge, sprayer or by immersion.

**USE FOR:**

- **Mildew and mold**: 1 oz per gallon of water [1:32].
- **Heavy duty use**: mix 4 oz per gallon of water [1:16].
- **Fungicide**: 1 oz per gallon of water (0.01% solution).

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS.** Danger. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles, face shield or safety glasses) and protective clothing if exposure may occur. Avoid breathing spray. Use with adequate ventilation. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Use of this product may cause skin sensitization. Odors are not harmful. If eye irritation occurs, flush with large amounts of water for at least 15 minutes. Remove contaminated clothing and wash clothing before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco.

**FIRST AID:**

- **IF IN EYES:** Hold eyes open and gently and slowly wash with plenty of water for at least 15 minutes. If SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the product container or label with you when calling poison control center or doctor or going for treatment.

**STORAGE AND DISPOSAL:**

- **Container:** Nonrefillable container. Open dumping is prohibited.

**IN CASE OF SPILL OR LEAK:**

- **Small spill:** Place the product container or label with you when calling poison control center or doctor or going for treatment.

**DOUBLE RINSE AFFECTED AREA WITH LARGE AMOUNTS OF WATER.**

**CONCENTRATE**

**Whizzer®** has a pungent odor that is not harmful. *KILLS HIV AND HBV AND HCV ON PRE-CLEANED ENVIRONMENTAL SURFACES / OBJECTS PREVIOUSLY SOILED WITH BLOOD / BODY FLUIDS in health care settings or in other settings in which there is an exposed likelihood of coming into contact with blood or body fluids, and in which the surfaces are not visibly dirty or diluted.
