Mission Bay
Copper-Free Antifouling Coating

PREMIUM QUALITY

DIRECTIONS FOR USE
BEFORE APPLICATION
- Read and observe all precautionary statements on this label.
- Thoroughly clean and prepare the surface prior to application.

APPLICATION DETAILS
- The recommended film thickness is 6 mils wet.
- The optimal temperature range for application is between 73°F (23°C) and 95°F (35°C).
- Ensure the substrate temperature is at least 50°F (10°C) above the dew point.

FIRST AID
- IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, and perform CPR. Call a poison control center or doctor for treatment advice.
- IF ON SKIN: Wash with soap and water. If irritation persists, seek medical attention.
- IF ON EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

SAFETY
- Do not use or store near open flame.
- Ensure proper ventilation during application.

LIMITATIONS
- Not recommended for use on non-porous surfaces.

REGULATORY DATA
- KEEP OUT OF REACH OF CHILDREN.
- DISPOSAL: Non-refillable container, do not reuse or refill this container. Triple rinse (or equivalent). Then offer for recycling, compost if possible, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

PHYSICAL AND CHEMICAL HAZARDS
- Combustible.
- Causes irreversible eye damage. Harmful if swallowed or absorbed through the skin. May be fatal if inhaled. Prolonged or frequent contact with the skin may cause burns.

ENVIRONMENTAL HAZARDS
- This material is toxic to fish. Do not apply directly to water by cleaning of equipment or disposing of wastes. Do not allow chips and dust generated during paint removal to enter lakes, streams, ponds, estuaries, oceans or other waters. When removing paint from marine equipment, use a combination of water, mild detergent and a non-iron scrub brush. Do not mix with other waste products. This material is not recommended for use in landfills. For illegal waste disposal, contact your local sewage treatment plant authority. Do not contain this product into lakes, streams, ponds, estuaries, oceans or other waters. For disposal of product, contact your local sewage treatment plant authority.
