FOR OUTDOOR RESIDENTIAL USE ONLY

ACTIVE INGREDIENT:
Imidacloprid 0.22%
OTHER INGREDIENTS: 99.78%

GUARANTEED ANALYSIS 6-9-6
Total Nitrogen (N) 6%
Nitrogen as Ammoniacal 6%
Available Phosphate (P2O5) 9%
Soluble Potash (K2O) 3%
Sulfur (S) 2%
2% Combined Sulfur (S)

DIRECTIONS FOR USE
- It is a violation of federal law to use this product in a manner inconsistent with its labeling. For best results, read and follow all label directions,

BEFORE YOU USE
- Read and follow directions when using:
  • Do not apply near fish ponds, ponds, lakes, or streams.
  • Do not use in vegetable gardens.

HOW TO USE
- When to use:
  • Apply when planting.
  • For established plants, use any time prior to pest problems or immediately when seen.
  • Apply again every 8 weeks during the growing season.

HOW MUCH TO APPLY
- Fill measuring cap to top of inner circle (2 oz).
- Roses: 1 capfill per plant
- Shrubs: 2 capfuls per foot of plant height
- Flower beds: 2 capfuls per 12 sq. ft. (3 x 4' bed area)

HOW TO APPLY
1. Apply granules to soil around base of plant, sprinkling evenly in the area under branches.
2. Work granules into top 1 to 2 inches of soil.

FOR BEST RESULTS
- Apply evenly, cultivate lightly and water thoroughly.

HOW IT WORKS
- This product is absorbed by roots and moves through the entire plant. New growth is fed and protected against insects for up to 8 weeks. Rain or watering cannot wash off this internal protection.

IMPORTANT - Directions for Storage and Disposal
STORAGE CONDITIONS
- Store in original container in a cool, dry place, out of the reach of children, preferably in a locked storage cabinet.

DISPOSAL
- Non-refillable container. Do not refill or reuse empty container.
- Place empty container in trash.

Important: It is best to use all of the product in accordance with label directions. If it is necessary to dispose of unused product, please follow any applicable state and local guidelines.

• Colocar el contenedor vacio en la basura.

Importante: Es mejor utilizar todo el producto de acuerdo con las indicaciones de la etiqueta. Si es necesario eliminar el producto sin utilizar, seguir las pautas estatales y locales correspondientes.
**PRECAUTIONARY STATEMENTS**

**CAUTION**
- Harmful if swallowed or absorbed through skin.
- Causes eye irritation.
- Avoid contact with skin, eyes, or clothing.
- Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. 

**ENVIRONMENTAL HAZARDS**
- This product is highly toxic to aquatic invertebrates.
- Do not apply directly to water. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours, will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.
- Do not contaminate water when cleaning equipment or disposing of equipment washwater.

**FIRST AID**

**IF SWALLOWED**
- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

**IF ON SKIN**
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.
- Hold eyewash open and rinse slowly and gently with water for 15 to 20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**NOTE:** When calling poison control center, have this product label available. If seeking treatment at an emergency room or doctor’s office, bring this product label to show medical personnel. You may call toll-free 877-229-3763 for medical emergency information. Active ingredient: 0.22% Imidacloprid [CAS #: 13860-41-3].

**NOTICE:** Research and testing has determined that the "Directions for Use" are appropriate for the proper use of this product when used under expected conditions. The Bayer assumes responsibility for lack of performance or safety if the product is not used according to the directions on this label.

**PRIMEROS AUXILIOS**

**EN CASO DE INGESTIÓN**
- Llamar inmediatamente a un médico o a un centro de control de envenenamiento para consultas sobre el tratamiento.
- Hacer que la persona beba tragos de agua, si puede tragarse.
- No inducir el vómito a menos que lo indique el médico o el centro de control de envenenamiento.
- No administrar nada por boca a una persona inconsciente.

**EN CASO DE CONTACTO CON LA PIEL**
- Quitar la ropa contaminada.
- Enjuagar la piel de reemplazo con abundante agua durante 15 a 20 minutos.
- Llamar a un médico u a un centro de control de envenenamiento para consultas sobre el tratamiento.

**EN CASO DE CONTACTO OJOS**
- Mantener los ojos abiertos y enjuagar en forma lenta y suave con agua durante 15 a 20 minutos.
- Retirar los lentes de contacto, si los hubiera, después de los primeros 5 minutos, y luego continuar enjuagando.
- Llamar a un médico u a un centro de control de envenenamiento para consultas sobre el tratamiento.

**NOTA:** Llamar a un centro de control de envenenamiento para obtener la etiqueta del producto y el número del producto. En caso de solicitar tratamiento en una sala de emergencias o consultorio médico, lleve la etiqueta del producto para mostrarla al personal médico. Para solicitar información médica de emergencia, llame al número gratuito 877-229-3763.  
Ingredientes activos: Imidacloprid [CAS #: 13860-41-3].

**NOTA:** Las investigaciones y pruebas han determinado que las "Indicaciones de uso" son adecuadas para el uso correcto de este producto bajo las condiciones presentes. El comprador asume la responsabilidad por la falta de rendimiento o seguridad si no se utiliza de acuerdo con las indicaciones.
