Introducing

EcoSMART® INSECT REPELLENT

IT'S SAFE. IT'S EFFECTIVE. IT'S SMART... NATURALLY!

EcoSMART® keeps bugs away for hours and is safe for the entire family. We don't use DEET or other synthetic chemicals—our powerful, all-natural formula is made from organic plant oils, and repels mosquitoes, ticks, gnats and other annoying pests for hours.

SHAKE WELL BEFORE USING

DIRECTIONS FOR USE: Hold container 6-8 inches from skin and spray with a slow sweeping motion. EcoSMART can be applied directly to skin. Use just enough repellent to cover exposed skin and/or clothing. To apply to face, spray palm of hand and rub on. Apply every 2-3 hours or as needed as effectiveness varies with excessive perspiration. Do not apply over cuts, wounds or irritated/sunburned skin.

PRECAUTIONARY STATEMENTS: EcoSMART recommends good safety practices when using any repellent, such as avoiding contact with eyes. If product gets in eyes, flush eyes with water. Consult a physician if irritation persists. This product is made from plant oils and some individuals may be sensitive. If skin irritation occurs, wash treated area with soap and water. Consult a physician if irritation persists.

STORAGE & DISPOSAL: CAUTION: As with all household chemicals, keep out of reach of children. Do not reuse. Discard in trash.

LIMITATION OF LIABILITY: EcoSMART makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibilities for safety and use not in accordance with label directions and precautionary statements.

EcoSMART represents that this product is a Minimum-Risk pest control product, and qualifies for exemption from EPA registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).
