Lactose and Water

SAFEGRO®
ORGANIC

WEED ZAP is a contact, non-selective, broad spectrum, foliar-applied herbicide. This product will only control actively growing emerged green vegetation. It controls both annual and perennial broadleaf and grassy weeds. This product does not translocate. It will affect only those plants that are coated with the spray solution.

DIRECTION FOR USE: SHAKE WELL BEFORE USING
Apply enough WEED ZAP to cover the entire surface of the weed. Spray to the point of run off. Repeat application as necessary. Coverage is essential to establish control. Repeat application as necessary. For best results apply before weeds are over 6 in. tall.

STORAGE AND DISPOSAL: Store in a cool, dry place. Dispose of properly.

PRECAUTIONARY STATEMENTS: Avoid contact with skin, eyes or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

This product is exempt from registration with the Federal EPA under section 20 (b) of FIFRA. WeedZap® has not been registered with the Environmental Protection Agency. SaferGro represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.
