Si usted no entienda la etiqueta, busque a alguien para que le explique el uso detallado. (If you do not understand this label, find someone to explain it to you in detail)

FIRST AID
If skin or clothing
- Take off contaminated clothing.
- Rinse skin with plenty of water for 15 – 20 minutes.
- If pain continues, call a poison control center or doctor for treatment advice.

If swallowed
- Call a poison control center or doctor immediately.
- Have person sip a glass of water if able to take it.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If in eyes
- Hold eye open and rinse slowly and gently with water for 15 – 20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

In case of emergency, call ChemTrec at 1-800-424-9300.

SKU# 10317
Lot #:
Net Contents: 5 Gallons (19 Liters)

PRECAUTIONARY STATEMENTS
Hazard to Humans and Domestic Animals
CAUTION: Harmful if absorbed through skin. Harmful if swallowed. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

Personal Protective Equipment (PPE)
Some materials that are chemical-resistant to this product are listed below. If you want more options, follow the instructions for category A on an EPA chemical-resistance category selection chart.

Applicators and other handlers must wear:
- long-sleeved shirt and long pants
- chemical-resistant gloves made of any waterproof material such as polyvinyl chloride, nitrile rubber, or butyl rubber
- shoes and socks
- protective eyewear (such as goggles, safety glasses, or a face shield)

From the start of application and continuing until the ventilation requirements listed in the Entry Restrictions paragraph on this label have been completed, for entry into the enclosed area, in addition to the PPE listed above, handlers/applicators must wear:
- a full face respirator with an organic-vapor removing cartridge, or a pre-filter approved for pesticides (MSHA/NIOSH approval number prefilter TC-210-1), or a canister approved for pesticides (MSHA/NIOSH approval number prefilter TC-145), or a NIOSH approved respirator with an organic vapor (OV) cartridge or canister with any N, R, P or HE pre-filter plus protective eyewear.

If the enclosed area contains less than 19.5% oxygen, the respirator must be one of the following systems:
- A supplied-air respirator (MSHA/NIOSH approval number 480202, 12858-2, or 12858-3) in addition to PPE listed under PRECAUTIONARY STATEMENTS.

Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and water. Keep and wash PPE separately from other laundry.

See back panel for additional precautions and directions for use.

Application Procedures
1. Insert aerator generator intake hose in Bio-COMBO aerosol liquid formulation.
2. Set air ventilation system for recirculation.
3. Store air system design and thermal fogging equipment away safely. Applications should be made in the best location by placing the exhaust from the aerosol generating equipment as far as possible to provide a uniform application. Examples of application set-ups place the exhaust end of the aerosol generator in the air circulation room (fan-house) behind the fan or place the exhaust end of the aerosol generator in the center of the room in front of the fan.
4. Set air flow rates at 6 CFM / 10 or higher using storage ventilation equipment or equivalent.

Storage and Disposal
Do not contaminate water, food, or feed by storage or disposal.

Bio-COMBO DISPOSAL: Avoid storing below 40°F. In case of spill or leak, absorb liquid with sawdust or other absorbent material and incinerate or dispose of in a approved disposal area.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Then offer for recycling if available or purchase and dispose of in a sanitary landfill, or by incineration.

IMPORTANT: Read the information below before using this product. If these terms are not acceptable, you should return the unused product container immediately for a complete refund.

LIMITED LIABILITY, TERMS OF SALE, AND LIMITATION OF LIABILITY
Upon purchase or use of this product, Purchaser and User agree to the following terms:

1. In the event of any breach or violation of this warranty under the law, you will be entitled to receive the full price paid for the product.
2. The Company does not offer any additional warranties for this product.
3. The Company will not be responsible for any incidental or consequential damages or any recovery of any kind and/or any recovery of the product which caused the alleged loss, damage, injury, or otherwise.

4. The exclusive remedy for breach of warranty under the law, you will be entitled to receive the full price paid for the product.
