- PREVENT BUGS
TIPS
- Remove food spills and exposed food. Store food in sealed containers.
- Caulk cracks and crevices where bugs enter or escape into walls, including entry points from outside or neighboring units.

Use This Product To:
KEEP BUGS OUT
Use to keep listed bugs out. Spray outdoors, around doors, windows, and along your home’s foundation. Spray indoors along floor boards, door and window frames. Use in hard-to-reach places where long-term control is needed.

Use Other Raid® Products To:
KILL BUGS ON CONTACT
* Use a Raid® Ant or Roach Killer spray product to kill listed bugs on contact. Read the label to find the right product for your bug problem.

KILL BUGS AT THE SOURCE
* Use a Raid® Ant or Roach Bait product to kill ants or roaches where they hide. For heavy infestations, first use a Raid® Fogger or Fumigating product and then place baits to provide ongoing control. Read the label to find the right product for your bug problem.

KILLS
- Ants
- Fleas
- Flies
- Gnats
- Roaches
- Ticks

- Centipedes
- Firebrats
- Small Flying Moths
- Stink Bugs
- Sowbugs
- Ground Beetles
- Boxelder Bugs

DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. General Information: Test in an inconspicuous area before applying. Do not spray into the air. Do not allow children or pets to touch the treated surface until it has dried. Set the trigger to the position. Return to position after use. Hold container upright and spray away from face, two to three feet from the surface being treated. Squeeze trigger and spray until surface is moist but not dripping. Over application may cause damage. Repeat spraying as necessary but not more than once per week. Keep the Reusable Auto Trigger for use on compatible refills.
