DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read the entire label before using the product. For use on hard, non-porous, non-food contact surfaces only. Use on enamel, sealed granite, brass, chrome, glazed ceramic tile, copper, glazed porcelain, stainless steel, linoleum, cultured marble, vinyl tile and synthetic marble. Do not use on glasses, dishes and utensils or other food contact surfaces. Prior to disinfection or sanitization, preclean surface. Then hold spray container upright 6” to 8” from surface. Spray 2 to 3 seconds until thoroughly wet and covered with mist.

To disinfect: Let stand for 10 minutes to air dry. Rinsing not required. If desired, wipe with paper towel or clean dish towel. To sanitize: Let stand for 5 minutes to air dry. Rinsing not required. If desired, wipe with paper towel or clean dish towel. To deodorize: Spray on surfaces as needed let air dry. Do not use on polished wood, painted surfaces, leather, rayon fabrics, or acrylic plastics. Fogging: Fogging of Sanosil S010 can be used for disinfecting hard, nonporous surfaces in rooms as an adjunct following regular manual cleaning and disinfecting of room surfaces. Sanosil S010 ready to use product is recommended for use in fogging operations as a supplemental measure either before or after regular cleaning and disinfecting procedures. Fog until the area is moist using foggers according to manufacturing's use directions. PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals.

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center, doctor, or going for treatment.

PHYSICAL AND CHEMICAL HAZARDS: This product is incompatible with oxidizing and reducing agents. In case of an emergency call a Poison Control Center.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage and disposal.

Keep out of direct sunlight and away from heat. Do not freeze. Store in original container in areas inaccessible to small children and pets. Nonrefillable container. Do not reuse or refill this container. If product leaking or spills should occur, please dilute with water and dry with absorbent material, or dilute with water as it is flushed into waste water drain. Offer for recycling, if available or discard in trash.
