PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
WARNING: Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Do not get in eyes or on clothing. Avoid contact with skin. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water and before eating, drinking, chewing gum, or using tobacco products. Do not use this product on disinfected, aged, medicated, pregnant or nursing animals, or animals known to be sensitive to pesticide products without first consulting a veterinarian.

Sensitivity, such as slight transient redness of the skin at the site of application, may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap or shampoo and rinse with large amounts of water. If signs of individual animal sensitivity occur and persist, contact your veterinarian. Have the product container or label with you when calling your veterinarian for advice.

For external use on dogs only. Do not use this product on cats. Use only on dogs or puppies over 7 weeks old.

DO NOT USE ON CATS. Due to their unique physiology and inability to metabolize certain compounds, this product must not be used on cats. If applied to a cat, or ingested by a cat that actively grooms a recently treated dog, this product may have serious harmful effects. If this occurs, contact your veterinarian immediately.

FIRST AID
If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything to an unconscious person.

If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center, doctor or 1-877-872-3744 or after 6 pm EST 1-888-436-4435 immediately for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may contact 1-877-872-3744, or after 6 pm EST 1-888-436-4435 for emergency medical treatment information.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[Precaución al consumidor: si usted no lee inglés, es un buen producto hasta que la etiqueta le haya sido explicada ampliamente. (To the user if you cannot speak English, do not use this product until the label has been fully explained to you.)]

HOW TO APPLY:
1. USE ONLY ON DOGS. DO NOT USE ON CATS OR OTHER ANIMALS.
2. Remove applicator from package.
3. The dog should be standing or in a comfortable position for easy application.
4. Holding the applicator tube upright, place thumb and index finger around the applicator tip
   under the large disk. With other hand, grasp the stem of applicator tip above smaller disk.
   Press down firmly on small disk until both disks meet, plunging the tip. See illustration.
5. Using the tip of the applicator, part the hair down to the level of the skin and slowly apply
   the product. Avoid superficial application to the animal's hair.

For dogs weighing 5.0 to 20 lbs, apply the product to one spot, as shown in the diagram, onto the skin, squeezing the
applicator tube until empty.

For dogs weighing 51 lbs to 99 lbs, apply the product
6. Discard empty applicator tube as outlined in Storage and Disposal.
7. Repeat every 7 days or as recommended by your veterinarian. Do not apply in less than 30 days.

8. For optimum treatment, control and prevention of fleas, flea eggs, flea pupae, flea larvae,
ticks, and mosquitoes, year-round treatment is recommended.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage and disposal.
Storages-Stores in a cool, dry place. Protect from freezing.
Disposal: If empty, do not reuse the container. Place in trash or offer for recycling if
available. If partially filled, call your local solid waste agency for disposal instructions.
Never place unused products down any indoor or outdoor drain.

LIMITED WARRANTY AND LIMITATION OF DAMAGES
Sellers warrant that the material conforms to the chemical parameters of the US EPA
registration and the label. To the extent consistent with applicable law sellers makes no
warranty, express or implied, other than indicated on the label. Buyer and user assume all
risk of use and handling of this material when such use and handling are contrary to the label
instructions. To the extent consistent with applicable law damages arising from a breach
of this warranty shall be limited to direct damages and shall not include consequential
commercial damages such as loss of profit or values.

Volume varies with size of animal for which package is intended and number of applicators
per package. Product may be packaged in 1, 4 or 6 applicators per package. Total volume
will correspond to number of applicators.
