SHAKE WELL BEFORE USING

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For outdoor use only:
• Do not water treated area to the point of runoff.
• Do not make applications during rain.
• All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses:
  1. Treatment to soil or vegetation around structures
  2. Applications to lawns, turf and other vegetation
All outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as window, doors and roofs) are limited to spot and crack-and-crevice applications only.
• Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

Use Restrictions

Remove or cover exposed food and drinking water before application.
Do not allow adults, children or pets to enter the treated area until sprays have dried.
Do not use in enclosed porches.
SHAKE WELL BEFORE USING. Point spray nozzle away from face.
Hold can at a slight downward angle. For best results, spray when air is calm. Allow a few minutes for product to take effect. Spray with wind if slight breeze is blowing (i.e., under 5 mph).

FLYING INSECTS
Flies, mosquitoes, flying moths, gnats and wasps: Spray area infested with these flying insects. Hold container 5 to 10 ft away from shrubs, bushes and grassy areas. Spray these areas with a slow, sweeping motion at the rate of one to three seconds per cubic yard of space while moving away from the treated area. Reduce aerial spray from these pests, trust open porches and patios in a similar manner. Allow fog to drift over area. Give special attention to breathing pests such as gulls, cranes, and hawks near compost piles. Spray only when the air is still. Allow spray to dissipate before occupying the treated area. Respect as necessary but no more than once per day.

CRAWLING INSECTS
Ants (except carpenter, fire, pharaoh and harvester ants), crickets, cockroaches and tent grubs: Spray infested areas of patio, eaves, cracks and crevices, helping as many insects as possible. Also spray legs of tables and chairs to repel ants. Spray ant hills for best control. Keep 5 to 10 ft away from ornamental plants while spraying.

STORAGE AND DISPOSAL
Pesticide Storage: Store in a cool place away from heat, direct sunlight, or open flame.

Pesticide Disposal: Do not pour or incinerate. If empty, Place in trash or offer for recycling if available.

If partly filled: Call your local retail waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

Risks to Humans and Domestic Animals
CAUTION: Harmful if inhaled or absorbed through skin. Do not breathe vapor and spray mist. Do not get on skin or in eyes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

First Aid: • If Swallowed: Immediately call Poison Control Center or doctor. Do not induce vomiting unless told to do so by Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. • If on Skin or Clothing: Take off contaminated clothing. Wash skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes. Then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice. • If Inhaled: Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration. If mouth-to-mouth is possible, Call a Poison Control Center or doctor for further treatment advice.

Physical or Chemical Hazards: This pesticide is highly toxic to fish, birds and other wildlife. Do not apply directly to waters. Do not contaminate water sources.

Other Ingredients: 95.50% • Total: 100.0% • No CFC propellants or aerosols.

KEEP OUT OF REACH OF CHILDREN

CAUTION: See back for additional precautionary statements.
