**FIRST AID**

If in Eyes:  Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes. Then continue rinsing eye.

If on Skin or Clothing:  Rinse skin with plenty of water for 15-20 minutes.

If Swallowed:  Call poison control center or seek medical attention for treatment advice.

Have this product container or label with you when calling a poison control center or doctor or going for treatment.

To protect our environment, please do not allow any household products to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying outdoor products in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash granules off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn, ornamental, or garden will help to prevent run off to water bodies or drainage systems. Do not apply this product directly to water: lakes, rivers, ponds, or streams.

**STORAGE AND DISPOSAL:**

Store only in original container in a cool dry place inaccessible to children and pets. **Disposal:** If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. If empty: Nonrefillable container. Do not reuse or refill container. Place empty container in trash or offer for recycling if available.

**NOTICE:** To the extent consistent with applicable law, seller makes no warranty, express or implied, concerning the use of this product other than as indicated on this label. Ineffectiveness or other unintended consequences may result, because of factors such as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of GRANT LABORATORIES, INC. or the Seller. To the extent consistent with applicable law, buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions. Product may settle after packaging.
