**PRECAUTIONARY STATEMENTS**

**CAUTION: HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse.

**FIRST AID**

**IF ON SKIN OR CLOTHING:**
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 to 20 minutes.
- Call a poison control center or doctor for treatment advice.

**IF IN EYES:**
- Hold eye open and rinse slowly and gently with water for 15 to 20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**HOT LINE NUMBER**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-325-1840 for emergency medical treatment information.

**NOTE TO PHYSICIAN**

This product is a pyrethroid. If large amounts have been ingested, milk, cream or other digestive fats and oils may increase absorption and so should be avoided.

**ENVIRONMENTAL HAZARDS**

This pesticide is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsates.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is designed for use as a ready-to-use granular insecticide to control various insects and spiders on lawns, home perimeter, ornamental & flower gardens. See specific pests for recommended level. Irrigating or watering by 0.1 to 0.5 inches immediately after application generally improves the effectiveness of this product. Please read the following “Directions for Use” carefully and fully before applying the product.

In New York State, this product may NOT be applied to any grass or turf area (lawns) within 100 feet of a water body (lake, pond, river, stream, wetland, or drainage ditch).

In New York State, do make a single repeat application of this product if there are signs of renewed insect activity, but not sooner than two weeks after the first application.

Do not allow children or pets to enter the area until dry.
LAWN, HOME PERIMETER, ORNAMENTAL & FLOWER GARDENS

Surface-Feeding Insects
Use this product for the control of ants, including Carpenter, Red Harvester, Odonous Pyramid, Pharaoh (Sugar), Foraging Fire Ants, Armyworms (including Fall Armyworms), Billbug (including Bluegrass Billbug), Chigera, Chinch Bugs, Crickets, Cutworms (including Black Cutworms), Earwigs, Grasshoppers, Mealybugs, Sod Webworms (Lawn Moth), and Weevils (including Hyperodes and Bluegrass). Uniformly apply 1.2 to 2.4 pounds over a 1,000 square feet area by using any hand- or power-operated gravity or rotary type spreader designed for the application of granular materials. This 10 pound bag will treat a 4,150 to 8,300 square feet area. Treat when insects first appear and retreat as necessary. Repeat application is necessary only if there are signs of renewed insect activity. Repeat application should be limited to no more than once per seven days.

Argentine Ants, Black Turf Ants, Black Turfgrass Ateles, Fleas (including Cat Fleas), Leafhoppers, Spiders (including Brown Recluse Spiders) and Ticks (including Brown Dog Tick) Uniformly apply 2.4 pounds over a 1,000 sq. ft. area. Best results are obtained if the treated area is thoroughly watered immediately after application.

Cenpedes, Millipedes, Pavement Ants
Uniformly apply 4.6 pounds over a 1,000 sq. ft. area. Best results are obtained if the treated area is thoroughly watered immediately after application.

Mole Crickets (including Tawny Mole Crickets)
Uniformly apply 2.4 to 4.6 pounds over a 1,500 sq. ft. area. For best results: treat in late spring and water the treated area immediately after application.

For Fire Ant Mounds
To control Fire Ants, uniformly apply 1 tablespoon or 3 teaspoons of this product to the surface of each mound. For best results, 1) apply in cool weather, 65 to 80°F, or in early morning or late evening hours. 2) Avoid disturbing ants, 3) treat new mounds as they appear and 4) thoroughly water the treated area immediately after application.

**Food (tea, etc.) such as tablespoons/teaspoons must not be used for food use after use in measuring pesticides.**

Ornamental Flower Beds (Outdoors)
Pesto Controlled: Ants, crickets, earwigs, grasshoppers, spiders and ticks.
How to Apply: Evenly apply 1.2 lb. of product for every 500 sq. ft. area. Repeat application as necessary if there are signs of renewed insect activity. Repeat application should be limited to no more than once per seven days.

Home Invading Insects: Barrier Treatment Around House Foundation (Outdoors)
Pesto Controlled: Ants, chiggers, crickets, earwigs, grasshoppers, spiders, and ticks.
How to Apply: Evenly apply a 2-foot band of granules next to the house foundation. Use 1.2 lb. for each 500 sq. ft. (2 ft x 250 ft). If necessary, repeat applications every 2 weeks only if there are signs of renewed insect activity.

WARRANTY DISCLAIMER
The information herein is typical and may vary. The data is not intended to meet the requirements of the United States Code, title 21, section 344. This product is sold with the understanding that the buyer will assume the risk of its use. The manufacturer, seller, or distributor does not assume any liability for the use of the product, and no representation is made as to the completeness, accuracy, or adequacy of such data. All information is subject to change without notice. The manufacturer, seller, or distributor shall not be liable for economic loss or for any damage in nature of personal or property loss resulting from the use of this product.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Keep out of reach of children and animals. Store in original containers only. Store in a cool, dry place and avoid excess heat. Carefully open containers. After partial use replace lids and close tightly. For bags after partial use, reseal open bag by folding top down and securing.

PESTICIDE CONTAINER DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
