Use only clean dry equipment to
dilute this product.
• Do not mix this product in a container or
dilution device that has been used with
any other product.

Exposure to heat can cause this
product to rapidly decompose,
leading to intense fire, explosion,
and the release of toxic gases.
• Store in a cool, dry, well-ventilated area.

Staying out of reach of children
DANGER

Keep out of reach of children
DANGER

If ingested:
Do not induce vomiting.
Immediately call a Poison Control Center.

If in eyes:
Rinse eyes with water for 15-20 minutes.
Clear any particles remaining.

If swallowed:
Drink milk or water. Do not induce vomiting.

If skin exposed:
Wash with soap and water. Secure medical assistance immediately.

PHYSICAL AND CHEMICAL HAZARDS:
If product is exposed to small amounts
of water, it can react violently to produce
heat and toxic gases and spatter. Do not add water to
this product. Add only into water. Highly Corrosive. Causes skin and eye damage. May be fatal if swallowed.
