FIRST AID
If in Eyes: Hold eye open and rinse slowly with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes.
If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

Note to Physician: probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

For emergency medical information, call toll-free 1.800.326.0026.

PHYSICAL OR CHEMICAL HAZARDS:
DO NOT USE ON STORED OR HEAT OR FLAME!

ENVIRONMENTAL HAZARDS:
This pesticide is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE:
It is a violation of federal law to use this product in a manner inconsistent with its labeling. Use 1 fluid oz (2 tablespoons) ADVACARE RESIDUAL BACSTAT per 100 lbs. of fabric (dry weight). Use a maximum of 40 gallons (50 lbs.) of water per 100 lbs. of fabric (dry weight).
To soften laundered fabrics and obtain residual bacteriostatic action against gram negative and/or gram positive odor-causing bacteria, dilute the appropriate amount of ADVACARE RESIDUAL BACSTAT in one to two gallons of water and then add to the wash-wheel at the beginning of the final rinse cycle. Repeat the treatment of fabric with ADVACARE RESIDUAL BACSTAT after each washing.

STORAGE AND DISPOSAL:
Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Open dumping is prohibited. Store in original container in areas inaccessible to children.

PESTICIDE DISPOSAL: Pesticide wastes are Hazardous Waste. Improper disposal of excess pesticide, spray mixture or residue is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest US EPA regional office for guidance.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or reline this container. Clean container promptly after emptying.

To empty as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water. Replace and tighten corks. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the remaining into application equipment or a mix tank or store container for future use or disposal. Repeat this procedure two more times.

EPA Reg. No: 6836-38-1677
EPA Est.: 6677-DL-2

PRECAUTIONARY STATEMENTS
Danger: Corrosive. Causes irreversible eye damage and skin burns. Wear goggles or face shield, protective clothing and protective gloves (rubber, chemical resistant) when handling. May be fatal if absorbed through skin or swallowed. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.
