**Mustard Algae Treatment**

- Dissolves Quickly
- Leaves No Residue

**ACTIVE INGREDIENT:**
- Sodium Bromide 98%
- Other Ingredients 2%
- Total 100%

**KEEP OUT OF REACH OF CHILDREN**

See precautionary statements and first aid on back panel.

**STORAGE & DISPOSAL:** Keep this product dry in its tightly closed container. Store in a cool, dry, well-ventilated area. Keep away from heat or open flame. Nonrefillable container. Do not reuse or refill this container. Rinse empty container thoroughly with water to dissolve all material prior to disposal. Offer for recycling if available. Do not contaminate food or feed by storage or disposal or cleaning of equipment.

**CAUTION:** DO NOT MIX THIS CONCENTRATED PRODUCT WITH ANY CHLORINATED CHEMICAL OR ANY OXIDIZER PRODUCT.

**NOTES:**

- **FIRST AID:** If INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. IF SWALLOWED: Call a poison control center immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person. IF IN EYES: Hold eyelids open and rinse slowly with water for 15 to 20 minutes. Remove contact lenses if present after 5 minutes then continue rinsing eye. Call poison control center or doctor for treatment advice.

- **NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

- **IN CASE OF EMERGENCY CALL:** 1-800-654-6911

- **PHYSICAL AND CHEMICAL HAZARDS:** Avoid contact with oxidizing agent other than as described in the directions for use. Do not mix this product with any other chlorinated product or other oxidizing agent. Wash thoroughly with soap and water after handling and before eating, drinking and using tobacco.

- **SPILL INFORMATION:** Clean up spills immediately. Contain and/or absorb spill with inert material (e.g. sand, vermiculite). Flush spill area with water. Use appropriate containers to avoid environmental contamination.

- **ENVIRONMENTAL HAZARDS:** This product is toxic to fish and aquatic organisms.

**This product is a granular formulation that helps clear away slimy yellow and mustard algae in swimming pools. When used as directed, this product clears water quickly and can be used in any type of swimming pool. Swimming may be resumed several hours after treatment. Compatible with all sanitizers including bromine, chlorine, salt water, ozone and minerals.

**DIRECTIONS FOR USE:** It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**TO REMOVE VISIBLE YELLOW OR MUSTARD ALGAE:** (All dosages are for 10,000 gallons of water). 1. Brush walls and floor areas affected by yellow algae accumulations. 2. Apply 4 oz. of this product per 10,000 gallons as close to the affected areas as possible. For severe accumulations, double the above dosage. 3. Superchlorinate by adding 1 gallon liquid chlorinating compound or 1 lb. of a dry chlorinating compound per 10,000 gallons. Swimming may be resumed after a few hours after treatment.

**WEEKLY MAINTENANCE TREATMENT:** TO PREVENT ACCUMULATION OF YELLOW ALGAE: (All dosages are for 10,000 gallons of water). 1. With water temperature over 90 degrees, add 4 oz. of this product with 1 gallon liquid chlorinating compound or 1 lb. of a dry chlorinating compound once a week. 2. With water temperature under 80 degrees, add 2 oz. of this product weekly and ½ gallon liquid chlorinating compound or ½ lb. of a dry chlorinating compound once a week.

**PRECAUTIONARY STATEMENTS:**

- **HAZARDS TO HUMANS AND DOMESTIC ANIMALS:** CAUTION: Harmful if swallowed, inhaled or absorbed through skin. Causes eye irritation. Avoid breathing dust. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking and using tobacco. Remove contaminated clothing and wash before reuse.
